The U.S. Fish and Wildlife Service (we, or the Service) plans to submit a request to OMB to renew its approval of a collection of information related to special use permit applications on national wildlife refuges outside of Alaska. The collection is currently approved under OMB control number 1018-0102, which expires November 30, 2004. We are requesting a 3-year term of approval for these collection activities.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The National Wildlife Refuge System Improvement Act of 1997 that amends the National Wildlife Refuge Administration Act of 1966 (16 U.S.C. 668dd-ee) requires that we authorize economic privileges on any national wildlife refuge by permit only when the activity will be compatible with and contribute to refuge purposes (50 CFR 29.21). We will provide the permit applications as requested by interested citizens. We will use information provided on the required written forms and/or verbal applications to ensure that the applicant is eligible for the permit. We make provision in our general refuge regulations for public entry for specialized purposes, including economic activities such as the

operation of guiding and other visitor services on refuges by concessionaires or cooperators under the appropriate legal instrument or special use permits (50 CFR 25.41, 25.61, 26.36, 27.71, 27.91, 27.97, 29.1, 29.2, 30.11, 31.2, 31.13, 31.14, and 31.16). These regulations provide the authorities and procedures for allowing permits on refuges outside of Alaska.

We use this permit to authorize such items farming operations (haying and grazing, 50 CFR 29.2), beneficial management tools that we use to provide the best habitat possible on some refuges (50 CFR 30.11, 31.14, 31.16), recreational visitor service operations (50 CFR 25.41 and 25.61), commercial filming (50 CFR 27.71), other commercial activities (50 CFR 29.1), research, and other noncommercial activities (50 CFR 26.36). We will issue permits for a specific period as determined by the type and location of the use or visitor service provided.
