

provides an online geospatial platform that provides the user with the capability to identify the communities identified as disadvantaged by the Climate and Economic Justice Screening Tool methodology. We are soliciting information regarding usability and accessibility of the geospatial platform. Please provide recommendations on the following:

a. What modifications can improve the usability, accessibility, or design of the mapping functions that display the data and results of the Climate and Economic Justice Screening Tool?

b. Are there specific features or functions that will enhance the usability of the interactive map by community members and organizations, government staff, and other stakeholders?

4. *Additional Feedback:* What additional feedback would you like to provide on the beta version of the Climate and Economic Justice Screening Tool?

Brenda Mallory,
Chair.

BILLING CODE 3325-F2-P

DEPARTMENT OF DEFENSE

Department of the Army

[Docket ID: USA-2022-HQ-0004]

Proposed Collection; Comment Request

AGENCY: Department of the Army, Department of Defense (DoD).

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Department of the Army announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by April 25, 2022.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: DoD cannot receive written comments at this time due to the COVID-19 pandemic. Comments should be sent electronically to the docket listed above.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the U.S. Army Research Institute, Building 90, 851 McClellan Ave., Fort Leavenworth, Kansas 66027, ATTN: Dr. Michele A. Calton, or call 913-684-9792.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Inclusion Policy Practice Decoupling Phase II; OMB Control Number 0702-0151.

Needs and Uses: This information collection requirement is necessary to evaluate the statistical validity of a scientific model and associated measurement instrument. The model and instrument could be used by the Army for deeper understanding of how to improve inclusion policies and practices. Once all data collection is complete, the data will be analyzed to test hypotheses regarding our scientific and practical understanding of the relationships between diversity, inclusion, and organizational outcomes. Specifically, what are the relationships between alignment (or misalignment/decoupling) of inclusion policies and practices, diversity, and organizational outcomes; does alignment of inclusion policies and practices mediate organizational outcomes expected from diversity? This examination is the first of its kind and will contribute to the scientific understanding of inclusivity.

Affected Public: Individuals or households.

Annual Burden Hours: 1,500.

Number of Respondents: 2,000.

Responses per Respondent: 1.

Annual Responses: 2,000.

Average Burden per Response: 45 minutes.

Frequency: Once.

Dated: February 18, 2022.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Record of Emergency Data; DD Form 93; OMB Control Number 0704-ROED.

Needs and Uses: The DD Form 93 is used by Service members to designate beneficiaries for certain benefits in the event of the Service member's death. It is also a guide for disposition of the member's pay and allowances if captured, missing or interned. It also shows the names and addresses of the person(s) the Service member desires to be notified in case of emergency or death, and designates the person authorized to direct disposition of the Service member's remains upon death. For civilian personnel, it is used to expedite the notification process in the event of an emergency and/or the death of the member. This requirement is identified in DoDI 1300.18, "Department of Defense Personnel Casualty Matters, Policies, and Procedures." The goal is to retain decisions by service members and deploying contractors relating to persons to be notified in the event of illness, injury, missing status, or death and to capture decisions as it relates to the provision of benefits and designation of a person authorized to direct disposition of their remains upon death. Support staff are able to direct benefits and decisional briefings to those designated as beneficiaries and decision makers as designated by the Service member or deploying contractor.

Affected Public: Individuals or households.

Annual Burden Hours: 144,918 hours.

Number of Respondents: 1,739,012.

Responses per Respondent: 1.

Annual Responses: 1,739,012.

Average Burden per Response: 5 minutes.

Frequency: On occasion.

Dated: February 16, 2022.
