[Docket No. EL02-62-000]

California Electricity Oversight Board, Complainant, v. Sellers of Energy and Capacity Under Long-Term Contracts With the California Department of Water Resources, Respondents; Notice of Complaint

February 26, 2002.

Take notice that on February 25, 2002, the California Electricity Oversight Board (Complainant) filed a complaint against specified sellers of long term power contracts to the California Department of Water Resources (Respondents) alleging that the prices, terms, and conditions of such contracts are unjust and unreasonable and not in the public interest. Complainant alleges that Respondents obtained the prices, terms, and conditions in the contracts through the exercise of market power, in violation of the Federal Power Act, and that the prices, terms, and conditions are causing injury to the citizens and ratepayers of California and the State's economy.

Copies of this filing were served upon Respondents and other interested parties.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests must be filed on or before March 18, 2002. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Answers to the complaint shall also be due on or before March 18, 2002. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests, interventions and answers may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the

Dominion Transmission, Inc.; Notice of Tariff Filing

February 26, 2002.

Take notice that on February 15, 2002, Dominion Transmission Inc. (DTI), tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets:

Effective November 1, 2001

Third Revised Sheet No. 39

Effective February 16, 2002

Original Sheet Nos. 1503-1999

DTI states that the purpose of this filing is to update the rates and fuel retention percentages shown in DTI's currently effective FERC Gas Tariff, Sheet No. 39, pertaining to overrun charges.

DTI states that a copy of its transmittal letter and enclosures have been served upon DTI's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. [Docket No. CP02-94-000]

El Paso Natural Gas Company; Notice of Request Under Blanket Authorization

February 26, 2002.

Take notice that on February 21, 2002, El Paso Natural Gas Company (El Paso), P.O. Box 1087, Colorado Springs, Colorado 80944, filed in Docket No. CP02-94-000 a request pursuant to Sections 157.205 and 157.211(b) of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211(b)) for authorization to construct and operate a delivery point located in Pinal County Arizona, under El Paso's blanket certificates issued in Docket Nos. CP82-435-000 and CP88-433-000 pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request.

Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "Rims" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance).

El Paso states that the new delivery point will permit the interruptible transportation and delivery of natural gas for Abbott Laboratories L.L.C. (Abbott Labs). Abbott Labs, it is said, utilizes natural gas to fuel boilers in its manufacturing and processing plant located in Pinal County, Arizona. Abbott Labs, it is further said, has requested natural gas service directly from El Paso for its manufacturing and processing plant which is currently served by Southwest Gas Corporation.

El Paso asserts that El Paso's environmental analysis supports the conclusion that the construction and operation of the proposed delivery point will not be a major Federal action significantly affecting the human environment.

El Paso states that the construction and operation of the Abbott Labs delivery point is not prohibited by El Paso's existing Tariff. El Paso states further that the estimated cost of the

proposed facilities is \$195,150 and that Abbott Labs has agreed to reimburse El Paso for the cost of the construction.

Any questions regarding the application should be directed to Robert T. Tomlinson, Director, Regulatory Affairs Department, El Paso Natural Gas Company, P.O. Box 1087, Colorado Springs, Colorado 80904, phone: (719) 520-3788.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and, pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-filing" link.
