Any person desiring to intervene or to
 protest in any of the above proceedings
 must file in accordance with Rules 211
 and 214 of the Commission's Rules of
 Practice and Procedure (18 CFR 385.211
 and 385.214) on or before 5 p.m. Eastern
 time on the specified comment date. It
 is not necessary to separately intervene
 again in a subdocket related to a
 compliance filing if you have previously
 intervened in the same docket. Protests
 will be considered by the Commission
 in determining the appropriate action to
 be taken, but will not serve to make
 protestants parties to the proceeding.
 Anyone filing a motion to intervene or
 protest must serve a copy of that
 document on the Applicant. In reference
 to filings initiating a new proceeding,
 interventions or protests submitted on
 or before the comment deadline need
 not be served on persons other than the
 Applicant.

As it relates to any qualifying facility
 filings, the notices of self-certification
 [or self-recertification] listed above, do
 not institute a proceeding regarding
 qualifying facility status. A notice of
 self-certification [or self-recertification]
 simply provides notification that the
 entity making the filing has determined
 the facility named in the notice meets
 the applicable criteria to be a qualifying
 facility. Intervention and/or protest do
 not lie in dockets that are qualifying
 facility self-certifications or self-
 recertifications. Any person seeking to
 challenge such qualifying facility status
 may do so by filing a motion pursuant
 to 18 CFR 292.207(d)(iii). Intervention
 and protests may be filed in response to
 notices of qualifying facility dockets
 other than self-certifications and self-
 recertifications.

The Commission encourages
 electronic submission of protests and
 interventions in lieu of paper, using the
 FERC Online links at <http://www.ferc.gov>. To facilitate electronic
 service, persons with Internet access
 who will eFile a document and/or be
 listed as a contact for an intervenor
 must create and validate an
 eRegistration account using the
 eRegistration link. Select the eFiling
 link to log on and submit the
 intervention or protests.

Persons unable to file electronically
 should submit an original and 14 copies

of the intervention or protest to the
 Federal Energy Regulatory Commission,
 888 First St., NE., Washington, DC
 20426.

The filings in the above proceedings
 are accessible in the Commission's
 eLibrary system by clicking on the
 appropriate link in the above list. They
 are also available for review in the
 Commission's Public Reference Room in
 Washington, DC. There is an
 eSubscription link on the Web site that
 enables subscribers to receive e-mail
 notification when a document is added
 to a subscribed docket(s). For assistance
 with any FERC Online service, please e-
