Reporting

Notice of specific reporting requirements, including who is to report, the information to be reported, the manner of reporting, and the time and place of filing reports, will be mailed to those required to complete this survey.

Who Must Report: (a) Reports are required from each U.S. person who had combined reportable sales of financial services to foreign persons that exceeded \$20 million during the prior fiscal year, or are expected to exceed that amount during the current fiscal year; or had combined reportable purchases of financial services from foreign persons that exceeded \$15 million during the prior fiscal year, or are expected to exceed that amount during the current fiscal year. Because the thresholds are applied separately to sales and purchases, the reporting requirements may apply only to sales, only to purchases, or to both.

(b) Entities required to report will be contacted individually by BEA. Entities not contacted by BEA have no reporting responsibilities.

What To Report: The survey collects information on transactions in financial services between U.S. financial services providers and foreign persons.

How To Report: Reports can be filed using BEA's electronic reporting system at www.bea.gov/efile. Copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, can be downloaded from www.bea.gov/ssb and submitted through mail or fax. Form BE-185 inquiries can be made by phone to BEA at (301) 278-9303 or by sending an email to be-185help@bea.gov.

When To Report: Reports are due to BEA 45 days after the end of each fiscal quarter, except for the final quarter of the entity's fiscal year when reports must be filed within 90 days.
