AGENCY: Office of Energy Efficiency and Renewable Energy, U.S. Department of Energy (DOE).

ACTION: Notice of limited waivers.

SUMMARY: The Office of Energy Efficiency and Renewable Energy (EERE) of the U.S. Department of Energy hereby provides notice that on March 19, 2010, the Assistant Secretary for EERE granted nationwide limited waivers of the Buy American requirements of the American Recovery and Reinvestment Act of 2009 (Recovery Act; Pub. L. 111-5) under the authority of section 1605(b)(1) [application of the restrictions of section 1605 would be inconsistent with the public interest] for the purchase of light-emitting diode LED lighting (lamps, fixtures, and any supporting components) and heating, ventilation and air conditioning (HVAC) units. These nationwide limited waivers apply to projects using EERE Recovery Act funds for the construction, alteration, maintenance and repair of a public building or public work. These limited waivers only apply in circumstances where the recipient of EERE Recovery Act funds ("grantee") has taken substantial steps to commit funds for the purchase of LED lights or HVAC units between February 17, 2009 and March 31, 2010. Substantial steps to commit funds would include, but are not limited to: (1) issuing a Request for Proposals (RFP) on or before March 31, 2010 (applicable only where the grantee accepts a proposal received under that RFP); (2) in the case of a sole source selection: placing an order for the goods on or before March 31, 2010; (3) commencing a bidding process on or before March 31, 2010; (4) in circumstances where the grantee solicited quotes without an RFP: the grantee purchases the goods based on a quote dated on or before March 31, 2010

and the order for the goods is placed on or before March 31, 2010; and (5) grantee has executed a contract or purchase agreement with a supplier to acquire affected goods between February 17, 2009 and March 31, 2010.

On March 31, 2010, these limited waivers of Buy American provisions will expire, with the exception of LED traffic lights, arrows, and crosswalk signals, which are covered by a nationwide categorical waiver based on domestic nonavailability issued on February 11, 2010. After March 31, 2010, EERE grantees are required to procure LED lighting and HVAC units from domestic manufacturers in accordance with the Recovery Act Buy American provisions.

DATES: *Effective Date:* March 19, 2010.
