

time before or after a meeting. Parties wishing to submit written comments for consideration by the Committee in advance of this meeting should send them to the above-listed address and must be received by close of business on May 14, 2010, to provide sufficient time for review. Comments received after May 14, 2010, will be distributed to the Committee but may not be reviewed prior to the meeting. It would be helpful if paper submissions also include a compact disc (CD) in HTML, ASCII, Word or WordPerfect format (please specify version). CDs should be labeled with the name and organizational affiliation of the filer, and the name of the word processing program used to create the document. Alternatively, comments may be submitted electronically to spectrumadvisory@ntia.doc.gov. Comments provided via electronic mail also may be submitted in one or more of the formats specified above.

Records: NTIA maintains records of all Committee proceedings. Committee records are available for public inspection at NTIA's office at the address above. Documents including the Committee's charter, membership list, agendas, minutes, and any reports are available on NTIA's Committee Web page at <http://www.ntia.doc.gov/advisory/spectrum>.

SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Comments

A 60-day public comment Notice was published in the **Federal Register** on November 23, 2009. This comment period ended January 22, 2010. We received one public comment, asking for a draft version of the data collection instrument and background material about the project. These were sent to the requestor on November 23, 2009.

Description: The Corporation is seeking approval of a pilot version of a tool designed to measure the return on investment for recruiting and managing community volunteers. The Corporation has entered into a cooperative agreement with the National Council on Aging (NCOA) to adapt its SMART (Strategic Metrics and Results Tracking) system for use by Corporation grantees and subgrantees. The goal is to develop

and pilot a system that all Corporation projects can use to calculate the return on investment for the time and resources they devote to recruiting and managing volunteers.
