Overview of This Information Collection

Title: Pre-Screening Interview Questionnaire Form
OMB Number: 1651-NEW.
Form Number: CBP Form 75.
Current Actions: New.
Type of Review: New.
Affected Public: Individuals.
Abstract: The CBP Office of Professional Responsibility (OPR), Personnel Security Division (PSD), conducts employment Background Investigations (BI), and periodic reinvestigations, to support determinations of an individual's suitability for employment or continued employment, eligibility to occupy a national security position, eligibility for access to classified information, eligibility for unescorted access to DHS/CBP facilities, or access to DHS/CBP information technology systems. OPR PSD conducts these investigations whether the individual is an applicant

or employee, and these terms apply to both federal and contractor employees and selectees.

The Anti-Border Corruption Act of 2010 requires that all CBP law enforcement officers successfully complete a polygraph examination before entering on duty.¹ CBP polygraph resources are limited and CBP seeks to schedule candidates who have the best probability of successfully completing the exam. Prior to a polygraph exam, CBP employs a number of touchpoints where applicants may be screened out based on disqualifying responses to suitability or eligibility questions.

In response to these concerns, and following an audit by the Department of Homeland Security's Office of the Inspector General (DHSOIG), OPR PSD created a plan to conduct Pre-Screening Interviews for all law enforcement candidates prior to scheduling a mandatory polygraph examination.
