#### SUPPLEMENTARY INFORMATION:

##### I. Background

Under the Medicare program, eligible beneficiaries may receive covered services from a hospital, provided certain requirements are met. Section 1881(b) of the Social Security Act (the Act) establishes statutory authority for the Secretary of the Department of Health and Human Services (Secretary) to set criteria for facilities seeking designation as a dialysis facility (also known as an “end-stage renal disease (ESRD) facility”). Regulations concerning provider agreements are at 42 CFR part 489 and those pertaining to activities relating to the survey and certification of facilities are at 42 CFR part 488. The regulations at 42 CFR part 494 specify the minimum conditions for coverage that an ESRD facility must meet to participate in the Medicare program.

Generally, to enter into an agreement, an ESRD facility must first be certified by a state survey agency (SA) as complying with the conditions or requirements set forth in part 494 of our regulations. Thereafter, the ESRD facility is subject to regular surveys by a SA to determine whether it continues to meet these requirements.

Section 1865(a)(1) of the Act provides that, if a provider entity demonstrates through accreditation by a Centers for Medicare & Medicaid Services (CMS)-approved national accrediting
