Food and Nutrition Service

Title: Food Stamp Program Regulations, Part 275—Quality Control.

OMB Control Number: 0584–0303.

Summary of Collection: Section 16 of the Food Stamp Act of 1977 provides the legislative basis for the operation of the Food Stamp Program Quality Control system. The Food and Nutrition Service (FNS), as administrator of the Food Stamp Program, requires each State agency to implement a quality control system to provide basis for determining each State agency's error rates through review of a sample of Food Stamp cases. Each State agency is responsible for the design and selection of the quality control samples and must submit a quality control sampling plan for approval to FNS. Additionally, State agencies are required to maintain case records for three years to ensure compliance with provisions of the Food Stamp Act of 1977.

Need and Use of the Information: The quality control sampling plan is necessary for FNS to monitor State operations and is essential to the determination of a State agency's error rate and corresponding entitlement to increased Federal share of its administrative costs or liability for sanctions.

Description of Respondents: State, local, or tribal government; Federal government.

Number of Respondents: 53.

Frequency of Responses: Recordkeeping; reporting: on occasion; annually.

Total Burden Hours: 2,074.

Forest Service

Title: Volunteer Application for Natural Resource Agencies.

OMB Control Number: 0596–0080.

Summary of Collection: The Volunteer Act of 1972, (Pub. L. 92–300) as amended, authorizes the Forest Service (FS) to involve as many volunteers as is efficient, effective, and cost-beneficial to accomplish the FS mission. Volunteers build and maintain trails, construct campground facilities, improve wildlife habitat, and perform other useful and important conservation services. FS will collect information using the Volunteer Application OF 301.

Need and Use of the Information: FS will collect the names, addresses, and certain information of individuals who are interested in public service as volunteers. The information is used by FS Managers for the purpose of contacting applicants and interviewing and screening them for volunteer positions. There could be no program without the information from the application.

Description of Respondents: Individuals or households.

Number of Respondents: 58,100.

Frequency of Responses: Reporting: other (one time).

Total Burden Hours: 14,525.
