

participant whose order or quote was executed as part of the Phlx disseminated Best Bid and/or Offer.

The Exchange also proposes to amend the Fee Schedule to make technical amendments such as changing the name of the category of fees and other clarifying amendments to make reference to other fees, and to options affected by these fees.

2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act¹² in general, and furthers the objectives of Section 6(b)(4) of the Act¹³ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The impact of the proposal upon the net fees paid by a particular market participant will depend on a number of variables, including its monthly volumes, the order types it uses, and the prices of its quotes and orders (*i.e.*, its propensity to add or remove liquidity). The rate increase to Firms for adding liquidity in the various symbols including the additional Symbols is the same rate that is currently being assessed on Broker-Dealers.

Accordingly, the Exchange also believes that the addition of the options to this portion of the Fee Schedule is equitable in that it will apply to all categories of participants in the same manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁴ and paragraph (f)(2) of Rule 19b-4¹⁵ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily

abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Generally, the purpose of the proposed rule change is to update the Exchange's Fee Schedule by amending existing fees. The Exchange believes that the increases are necessary for the Exchange to remain competitive.

Equity Options Fees

The Exchange proposes increasing the options transaction charge for Registered Options Traders ("ROT") and specialists to \$.22. Currently, the Exchange assesses a per contract fee of \$.21 on ROTs (on-floor) and specialists.⁷ The Exchange also proposes amending the Options Surcharge in RUT, RMN, MNX and NDX to increase the current fee of \$.10 per contract to \$.15 per contract for ROTs (on-floor), specialists, Firms and Broker-Dealers.

The Exchange proposes to decrease the current Monthly Cap on equity options transactions from \$750,000 to \$650,000. The Monthly Cap is currently applicable to ROTs⁸ and specialists.⁹ The Exchange believes that by reducing the Monthly Cap, a greater number of members may benefit from the Monthly Cap and the Exchange will attract additional order flow.¹⁰

The Exchange also proposes to decrease the Firm Related Equity Option Cap from \$85,000 to \$75,000 per month. The Exchange recently increased the Firm Related Equity Option Cap.¹¹ Similarly, the Exchange believes that by reducing the Firm Related Equity Option Cap additional members will benefit from the cap.¹²

⁷ This fee is subject to a Monthly Cap of \$750,000.

⁸ A ROT is a regular member or a foreign currency options participant of the Exchange located on the trading floor who has received permission from the Exchange to trade in options for his own account.

⁹ This Monthly Cap is not applicable to electronic trading in Standard and Poor's Depository Receipts/SPDRs ("SPY"), PowerShares QQQ Trust ("QQQ")®; iShares Russell 2000 ("IWM") and Citigroup Inc. ("C").

¹⁰ The Exchange recently amended the calculation of the Monthly Cap by aggregating the trading activity of separate ROTs and specialist member organizations if there is at least 75% common ownership between the member organizations as reflected on each member organizations' Form BD, Schedule A. See Securities Exchange Act Release N. 61558 (February 22, 2010) (SR-Phlx-2010-16).

¹¹ See SR-Phlx-2010-25.

¹² This Firm Related Equity Option Cap is not applicable to electronic trading in Standard and Poor's Depository Receipts/SPDRs ("SPY"), PowerShares QQQ Trust ("QQQ")®; iShares Russell 2000 ("IWM") and Citigroup Inc. ("C").

U.S. Dollar-Settled Foreign Currency Option Fees

The Exchange proposes to increase the Options Transaction Charge in U.S. Dollar-Settled Foreign Currency Options Fees for ROTs (on-floor), specialists and Firms from \$.24 to \$.30.

Real-Time Risk Management Fee

The Exchange proposes to increase the Real-Time Risk Management Fee to \$.003 per contract. The current fee is \$.0025 per contract. This fee is assessed on members who receive information on a real-time basis.

The proposed changes to the Fee Schedule will be effective for transactions settling on or after March 1, 2010.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act¹³ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁴ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes the increases to the Equity Options Fees are equitable in that ROTs, specialists, Firms and Broker-Dealers will be charged the same rate with respect to the Options Surcharge. The increase to the Options Transaction Charge for ROTs and specialists is offset by other amendments to reduce caps. The Exchange believes that members will benefit from the reduced Monthly Cap and Firm Related Equity Option Cap. The amendments to the U.S. Dollar-Settled Foreign Currency Options Fees are consistent for ROTs (on-floor), Specialists and Firms. Also, the Real-Time Risk Management fee will apply to all members alike.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

¹⁴ 15 U.S.C. 78f(b)(4).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁵ and paragraph (f)(2) of Rule 19b-4¹⁶ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
