Expansion of Paging Contours Over Water on a Secondary Basis

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: In this document, the Federal Communications Commission ("the Commission") seeks comment on a Request for Rule Change filed by the Paging and Messaging Alliance of the Personal Communications Industry Association ("PCIA") to treat certain modifications to paging stations as minor modifications. Further, the Commission conditionally waives its rules governing the classification of filings as major or minor, in order to determine whether prior expansions of paging composite interference contours ("CICs") over water that licensees carried out on a permissive basis are in compliance with the rules, and to clear up any uncertainty about what procedures should apply to similar future expansions.

DATES: Submit comments on or before April 16, 2001, and reply comments not later than May 1, 2001.
