DEPARTMENT OF THE INTERIOR

National Park Service

Announcement of OMB Approval and Notice of Proposed Information Collection

AGENCY: National Park Service, Interior.

ACTION: Announcement of OMB approval and request for comments on proposed information collection.

SUMMARY: The National Park Service is announcing that a collection of information has been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 for the Final Rule on Concession Contracts.

Additionally, in compliance with the Paperwork Reduction Act of 1995, the National Park Service (NPS) is announcing its intention to request approval for the collection of information for 36 CFR part 51, section 51.47 regarding the appeal of a preferred offeror determination, sections 51.54 and 51.55 regarding NPS approval of the construction of capital improvements by concessioners, and Section 51.98 concerning recordkeeping requirements with which concessioners must comply.

DATES: Comments on the proposed information collection must be received by September 11, 2000.

ADDRESSES: Comments may be mailed to Wendelin M. Mann, Concession Program, National Park Service, 1849 C Street, NW., Washington, DC 20240. Comments may also be submitted electronically to wendy_mann@nps.gov.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, and explanatory

information, contact Wendelin M. Mann at (202) 565-1219.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations as 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies information collection activities that NPS will submit to OMB for approval. NPS has requested, and OMB has granted emergency approval for these information collection activities through October 31, 2000, under Control Number 1024-0231.

NPS has identified burden estimates based on its experience with concession contracts and on information previously supplied by concessioners or offerors in response to concession prospectuses. NPS will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany NPS's submission of the information collection request to OMB.

This notice provides the public with 60 days in which to comment on the following information collection activities:

Title: Concession Contract-36 CFR 51. OMB Control Number: 1024-0231.

Summary: The information is being collected to meet the requirements of sections 403(7) and (8) of the National Park Service Concessions Management Improvement Act of 1998 (the Act), concerning the granting of a preferential right to renew a concession contract, section 405 of the Act regarding the construction of capital improvements by concessioners, and section 414 of the Act regarding recordkeeping requirements of concessioners. The information will be used by the agency in considering appeals concerning preferred offeror determinations, agency review and approval of construction projects and determinations with regard to the leasehold surrender interest value of such projects, and when necessary, agency review of a concessioner's books and records related to its activities under a concession contract.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents: NPS concessioners, and, in the case of appeals of preferred offeror determinations, offerors in response to concession prospectuses.

Total Annual Responses: 758.

Total Annual Burden Hours: 3,276.

Dated: June 29, 2000.

Richard G. Cripe,

Manager, Washington Administrative Program Center.

Bureau of Reclamation

Allocation of Water Supply and Long-Term Contract Execution, Central Arizona Project

AGENCY: Bureau of Reclamation, Department of the Interior.

ACTION: Notice of availability of a draft environmental impact statement for public review and comment on the proposed allocation of water supply and

long-term contract execution, Central Arizona Project.

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as amended, and the Council on Environmental Quality's Regulations for Implementing the Procedural Provisions of NEPA, the Bureau of Reclamation (Reclamation), has issued a Draft Environmental Impact Statement (DEIS) for the Central Arizona Project. This notice updates the **Federal Register** notice published on June 23, 2000 (65 FR 39177) and provides notice that the public comment period on this DEIS remains unchanged and notice that Reclamation will not be holding public hearings on this DEIS.

Information on the public comment period may be found below in the **DATES** section. Information on public hearings may be found below in the **SUPPLEMENTARY INFORMATION** section.

ADDRESSES: Send written comments on the DEIS to Mr. Bruce Ellis, Environmental Program Manager, Phoenix Area Office, Bureau of Reclamation, P.O. Box 81169, Phoenix, Arizona 85069-1169, by August 25, 2000.

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials or organizations or businesses, available for public disclosure in their entirety.

The draft EIS document remains available for public inspection on the Internet at <http://www.apo.lc.usbr.gov>. In addition, copies of the draft EIS remain available at the following address: Phoenix Area Office, Bureau of Reclamation, P.O. Box 81169, Phoenix, Arizona 85069-1169, faxogram 602-216-4006, or telephone 602-216-3812.

See the **SUPPLEMENTARY INFORMATION** section of the **Federal Register** notice dated June 23, 2000 (65 FR 39177) for a list of libraries where the draft EIS remains available for public inspection and review.

DATES: Written comments on this DEIS must be received no later than August 25, 2000.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Mr. Bruce Ellis, Environmental Program Manager, at Phoenix Area Office, Bureau of Reclamation, P.O. Box 81169, Phoenix, Arizona 85069-1169, or telephone (602) 216-3812.

SUPPLEMENTARY INFORMATION: As noted above in the **DATES** section, the public comment period on this DEIS remains unchanged and written comments must be received no later than August 25, 2000. In addition, in the **Federal Register** notice dated June 23, 2000 (65 FR 39177) Reclamation indicated that public hearings would be held during the public comment period to receive written or verbal comments on the DEIS. Based on legislation recently passed by Congress, Reclamation will not be holding public hearings on this matter. Interested members of the public may still provide comments on the DEIS and Reclamation therefore encourages all interested entities to provide written comments to Reclamation during the public comment period.

Dated: July 7, 2000.

V. LeGrand Neilson,

Deputy Regional Director.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-718 (Review)]

Glycine From China

Determination

On the basis of the record¹ developed in the subject five-year review, the United States International Trade Commission determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)), that revocation of the antidumping duty order on glycine from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted this review on February 3, 2000 (65 FR 5371, February 3, 2000) and determined on May 5, 2000 that it would conduct an expedited review (65 FR 31145, May 16, 2000). The Commission transmitted its determination in this review to the Secretary of Commerce on June 30, 2000. The views of the Commission are
