9000–0184, Contractors Performing Private Security Functions Outside the United States.

B. Need and Uses

This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.225–26, Contractors Performing Private Security Functions Outside the United States. When contract performance is required outside the United States in an area of combat operations or significant military operations, this clause requires contractors to ensure employees performing private security functions under the contract comply with 32 CFR part 159, and any orders, directives, or instructions that are identified in the contract for:

- Registering, processing, accounting for, managing, overseeing, and keeping appropriate records of personnel performing private security functions;
- Requesting authorization of and accounting for weapons to be carried by or available to personnel performing private security functions;
- Registering and identifying armored vehicles, helicopters, and other military vehicles operated by employees performing private security functions; and
- Reporting incidents in which personnel performing private security functions: discharge a weapon; are attacked, killed, or injured; kill or injure

a person or destroy property as a result of conduct by contractor personnel; have a weapon discharged against them or believe a weapon was so discharged; or employ active, non-lethal countermeasures in response to a perceived immediate threat.

The Government uses the information provided to ensure accountability, visibility, force protection, medical support, personnel recovery, and other related support can be accurately forecasted and provided to deployed contractors, as required.

Information Collection; Federal Acquisition Regulation Part 7 Requirements

AGENCY: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, and the Office of Management and Budget (OMB) regulations, DoD, GSA, and NASA invite the public to comment on an extension concerning Federal Acquisition Regulation part 7 requirements. DoD, GSA, and NASA invite comments on: whether the proposed collection of information is necessary for the proper performance of

the functions of Federal Government acquisitions, including whether the information will have practical utility; the accuracy of the estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. OMB has approved this information collection for use through July 31, 2025. DoD, GSA, and NASA propose that OMB extend its approval for use for three additional years beyond the current expiration date.

DATES: DoD, GSA, and NASA will consider all comments received by June 2, 2025.

ADDRESSES: DoD, GSA, and NASA invite interested persons to submit comments on this collection through <https://www.regulations.gov> and follow the instructions on the site. This website provides the ability to type short comments directly into the comment field or attach a file for lengthier comments. If there are difficulties submitting comments, contact the GSA Regulatory Secretariat Division at 202–501–4755 or GSARegSec@gsa.gov.

Instructions: All items submitted must cite OMB Control No. 9000–0082, Federal Acquisition Regulation Part 7 Requirements. Comments received generally will be posted without change to <https://www.regulations.gov>, including any personal and/or business confidential information provided. SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000–0082, Federal Acquisition Regulation Part 7. Requirements.

B. Need and Uses

This clearance covers the information that offerors or contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.207–3, Right of First Refusal of Employment. This clause requires contractors to provide the contracting officer, within 120 days of beginning contract performance, the names of personnel who were adversely affected or separated from Government

employment as a result of the contract award; and subsequently hired by the contractor to perform under the contract within 90 days after contract performance began. The information provided under this clause is used by the Government to ensure contractor compliance with providing the right of first refusal to such affected personnel and that certain obligations to displaced employees are met by the Government.

FAR 52.207-4, Economic Purchase Quantity—Supplies. This provision permits offerors, who believe that acquisition of supplies in quantity different from what is being solicited would be more advantageous to the Government, to recommend with their offer a more economic purchase quantity for the required supplies. The information provided under this provision is used by the Government to acquire supplies at the total and unit costs most advantageous to the Government and to develop a database for future acquisitions of such items of supply.

9000-0012, Termination Settlement Proposal Forms (SFs 1435-1440).

B. Need and Uses

This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

Standard Forms (SFs) 1435 through 1440. These termination settlement proposal forms are used by all Executive agencies, including the Department of Defense, for settling terminated prime contracts and subcontracts per FAR subpart 49.6, Contract Termination Forms and Formats. The forms provide a standardized format for listing essential cost and inventory information needed to support the terminated contractor's negotiated position.

The contracting officer uses the collected information to determine and support reimbursement costs upon settlement of a terminated contract.
