

2002, the Commission found a violation of section 337 in the unlawful importation and sale by respondents Silicon Integrated Systems Corp. of Taiwan and Silicon Integrated Systems Corp. of the United States (collectively "respondents") of certain integrated circuits, and certain products containing same, made by a process covered by claim 13 of U.S. Patent No. 6,117,345, owned by complainants United Microelectronics Corp., UMC Group (USA), and United Foundry Service, Inc. (collectively "complainants").

On March 13, 2003, complainants and respondents filed a joint petition to rescind the limited exclusion order under Commission rule 210.76(a)(1), 19 CFR 210.76(a)(1), on the basis of a settlement agreement they had reached. Complainants and respondents asserted that their settlement agreement constituted "changed conditions of fact or law" sufficient to justify rescission of the order under Commission rule 210.76(a)(1). Complainants and respondents also sought in their joint petition to have the Commission vacate Administrative Law Judge ("ALJ") Order No. 5, which restricted the patent prosecution activities of William H. Wright of Hogan & Hartson, counsel for complainants, and other patent practitioners at Hogan & Hartson, who had subscribed to the administrative protective order. ALJ Order No. 5 had been entered at the request of respondents.

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. 1337, and § 210.76(a)(1) of the Commission's rules of practice and procedure, 19 CFR 210.76(a)(1).

Issued: April 23, 2003.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
