This notice announces the formula allocation amount for each eligible HTF grantee.

**SUPPLEMENTARY INFORMATION:** Section 1131 of HERA, Division A amended the Act to add a new section 1337 entitled “Affordable Housing Allocations” and a new section 1338 entitled “Housing Trust Fund.” Congress authorized the Housing Trust Fund (HTF) with the stated purpose of: (1) Increasing and preserving the supply of rental housing for extremely low-income families with incomes between 0 and 30 percent of area median income and very low-income families with incomes between 30 and 50 percent of area median income, including homeless families, and (2) increasing homeownership for extremely low-income and very low-income families. Section 1337 of the Act (12 U.S.C. 4567) requires Federal National Mortgage Association (Fannie Mae) and Federal Home Loan Mortgage Corporation (Freddie Mac) to set-aside 4.2 basis points (.042 percent) of the unpaid principal of their new mortgage purchases annually to fund the HTF and the Capital Magnet Fund. Each year, 65% of the amounts set aside by Fannie Mae and Freddie Mac are then allocated to the HTF.

Section 1338 of the Act (12 U.S.C. 4568) directs HUD to establish, through regulation, the formula for the distribution of amounts made available for the HTF. The provisions in section 1338(c)(3) of the Act (12 U.S.C. 4568(c)(3)) specify the factors to be used for the formula and priority for certain factors. The HTF implementing regulations are at 24 CFR part 93. The factors and methodology HUD uses to allocate HTF funds among eligible

grantees are established in the HTF regulation at 24 CFR 93.50, 93.51, and 93.52.

The funding announced for Fiscal Year 2023 through this notice is \$382,361,726.94. Appendix A to this notice provides the HTF allocation amount for each grantee.

#### SUPPLEMENTARY INFORMATION:

This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

#### A. Overview of Information Collection

*Title of Information Collection:* HUD CDBG Disaster Recovery Outcomes of Renter Households and Affordable Housing.

*OMB Approval Number:* 2528-Pending.

*Type of Request:* New data collection.

*Form Number:* N/A.

*Description of the need for the information and proposed use:* The Office of Policy Development and Research (PD&R), at the U.S. Department of Housing and Urban Development (HUD), is proposing the collection of information for the HUDRD CDBG Disaster Recovery Outcomes of Renter Households Cooperative Agreement.

The goal of this research is to improve disaster recovery effectiveness for renter households by examining the disaster recovery outcomes of renter households and rental housing stock in places that received Community Development Block Grant-Disaster Recovery grants (CDBG-DR). This research is expected to help the Federal government, states, and communities throughout the United States improve disaster recovery effectiveness for renter households by providing information about how disaster recovery programs funded through CDBG-DR have different impacts on renters and homeowners,

and how disasters impact affordable rental housing stock over time. It will further support HUD in providing data and information on disaster recovery outcomes of renter households and changes in rental housing dynamics in areas impacted by disasters.

This **Federal Register** Notice provides an opportunity to comment on the information collection for this study titled HUDRD CDBG Disaster Recovery Outcomes of Renter Households. The information collection is designed to support the study of disaster outcomes on rental housing, including the impacts to housing markets and renters; efforts that have been implemented by federal, state, and local governments to mitigate losses to affordable rental housing stock after disasters; and how CDBG-DR requirements impact post-disaster efforts to address rehabilitation, reconstruction, replacement, and new construction of rental housing for low- and moderate income households. The study includes interviews and focus groups in three study communities in jurisdictions that have received CDBG-DR funding.

*Respondents:* CDBG-DR grantee representatives and administrators; elected and appointed government officials in CDBG-DR grantee jurisdictions and municipalities; representatives from Community Development Financial Institutions (CDFI) in CDBG-DR grantee jurisdictions; representatives from Public Housing Agencies (PHA) in CDBG-DR grantee jurisdictions; landlords and developers in CDBG-DR grantee jurisdictions; representatives from housing and tenant advocacy organizations; and renters living in CDBG-DR grantee jurisdictions.

*Estimated Number of Respondents:* This information collection will affect approximately 190 respondents. This includes: (1) up to 20 individual qualitative interviews in each of three study communities with CDBG-DR grantee representatives and administrators, elected and appointed officials, CDFI representatives, and PHA

representatives; (2) up to two focus groups with up to 10 individuals per focus group with landlords and developers in each of three study communities; (3) up to two focus groups with up to 10 individuals per focus group with renters in each of three study communities; (4) and up to 10 qualitative interviews with HUD staff and other national professionals.

*Estimated Time per Response:* The qualitative interviews are expected to take one hour per interview. The focus groups are expected to take 1.5 hours per focus group.

*Frequency of Response:* One time for all interviews and focus groups.

*Estimated Total Annual Burden Hours:* 250 hours for all interviews and focus groups.

*Estimated Total Annual Cost:* \$8,335.20 for all qualitative interviews and focus groups. To arrive at the dollar cost of the estimated response burden, we have used estimates from the U.S. Bureau of Labor Statistics on average hourly earnings in January 2023. For CDBG-DR administrators, HUD staff, and elected and appointed officials, we use the overall occupational estimate for federal, state, and local government employees (\$30.85). For PHA staff and property owner staff, we use the estimate for professional and business services (\$39.64). For representatives from CDFIs, private developers, private landlords, advocacy organizations, renters, and other private sector professionals, we use the estimate for all private sector employees (\$33.03).

Of the up to 60 qualitative interviews planned in the study communities described in the Estimated Number of Respondents section, we assume an even distribution of subcategory targets; of the 10 qualitative interviews with HUD staff and other national professionals, we assume up to five from the Federal, state, and local government BLS category and up to five from the Private sector employees BLS category.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Cost
Interviews—Federal, state, and local government .....	25	1	1	1	25	\$30.85	\$771.25
Interviews—Professionals and business services .....	20	1	1	1	20	39.64	792.80
Interviews—Private sector employees .....	25	1	1	1	25	33.03	825.75
Focus groups—Private sector employees .....	120	1	1	1.5	180	33.03	5,945.40
Total .....	190	.....	.....	.....	250	.....	8,335.20

*Respondent's Obligation:*  
Participation is voluntary.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on March 10, 2023 at 89 FR 15059.

## A. Background

In order to implement the expanded MTW program under division L, title II of the Consolidated Appropriations Act, 2016 (Pub. L. 114-113, December 18, 2015), HUD issued the first Operations Notice of the Expansion of the Moving to Work Demonstration Program Solicitation of Comment (82 FR 8056, January 23, 2017) (Operations Notice), and solicited public comment. This notice established requirements for the implementation and continued operation of the expansion of the MTW demonstration program pursuant to the 2016 MTW Expansion Statute and

certain pre-approved waivers to establish program flexibility for participants. These waivers will be available to MTW PHAs when the revised MTW ACC Amendment is executed. The Operations Notice also provided that the 100 PHAs would be selected in cohorts, with applications for each cohort to be sought via a Selection Notice.

This initial Operations Notice was followed by subsequent **Federal Register** notices. On May 4, 2017, HUD published the Operations Notice for the Expansion of the Moving to Work Demonstration Program Solicitation of Comment; Waiver Revision and Reopening of Comment Period." On October 5, 2018, HUD published a further Operations Notice (83 FR 50387) (a correction and extension of the comment period was published on October 11, 2018 (83 FR 51474)). This notice made changes as a result of the prior public comments, and again solicited public comments. After reviewing these comments and making changes, the Operations Notice was then published for implementation on August 28, 2020 (85 FR 53444).

On December 27, 2018, HUD issued for public comment the 60-day notice for the Moving to Work Amendment to the Consolidated Annual Contributions Contract (the "MTW ACC Amendment") under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.* (83 FR 66738). The MTW ACC Amendment was revised in response to public comments received under the 60-day Notice. The formal title was also changed to the "Moving to Work Amendment to the Annual Contributions Contract(s)." On November 8, 2019, HUD issued for the public comment the 30-day notice for The MTW ACC Amendment. The MTW ACC Amendment was further revised in response to public comments received under the 30-day Notice, and published for use on August 31, 2020. This notice seeks public comment on the renewal of MTW ACC Amendment.
