## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

### 2010 Special 301 Out-of-Cycle Reviews of the Philippines and Thailand: Identification of Countries Under Section 182 of the Trade Act of 1974: Request for Public Comment

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Request for written submissions from the public.

**SUMMARY:** Section 182 of the Trade Act of 1974 (Trade Act) (19 U.S.C. 2242) requires the United States Trade Representative (USTR) to identify countries that deny adequate and effective protection of intellectual property rights (IPR) or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. (The provisions of Section 182 are commonly referred to as the “Special 301” provisions of the Trade Act.) The USTR is required to determine which, if any, of these countries should be identified as Priority Foreign Countries. In addition, USTR has created a “Priority Watch List” and “Watch List” under Special 301 provisions. Placement of a trading partner on the Priority Watch List or Watch List indicates that particular problems exist in that country with respect to IPR protection, enforcement, or market access for persons relying on intellectual property. Countries placed on the Priority Watch List are the focus of increased bilateral attention concerning the problem areas.

In the 2010 Special 301 Report (<http://www.ustr.gov>), USTR announced

that, in order to monitor progress on specific IPR issues, Out-of-Cycle Reviews would be conducted for the Philippines and Thailand. USTR requests written submissions from the public concerning any act, policy, or practice that is relevant to the decision regarding whether the Philippines and Thailand should be identified under Section 182 of the Trade Act.

**DATES:** Submissions from the general public must be received on or before 10 a.m. on Friday, December 10, 2010. Foreign governments who choose to make written submissions may do so on or before 10 a.m. on Friday, December 17, 2010.

**ADDRESSES:** All comments should be sent electronically to <http://www.regulations.gov>, [docket number USTR–2010–0035]. Submissions should contain the term “2010 Special 301 Out-of-Cycle Review” in the “Type comment & Upload file” field on <http://www.regulations.gov>.

**FOR FURTHER INFORMATION CONTACT:** *Jared Ragland*, Director, Intellectual Property and Innovation, Office of the United States Trade Representative, at (202) 395–4510.

**SUPPLEMENTARY INFORMATION:** Pursuant to Section 182 of the Trade Act, USTR must identify those countries that deny adequate and effective protection for intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Those countries that have the most onerous or egregious acts, policies, or practices and whose acts, policies, or practices have the greatest adverse impact (actual or potential) on relevant U.S. products are to be identified as Priority Foreign Countries. Acts, policies, or practices that are the basis of a country’s designation as a Priority Foreign Country are normally the subject of an investigation under the Section 301 provisions of the Trade Act. USTR may not identify a country as a Priority Foreign Country if that country is entering into good faith negotiations or making significant progress in bilateral or multilateral negotiations to provide adequate and effective protection of intellectual property rights. In addition, USTR has created a “Priority Watch List” and “Watch List” under Special 301 provisions. Placement of a trading partner on the Priority Watch List or Watch List indicates that particular problems exist in that country with respect to IPR protection, enforcement, or market access for persons relying on intellectual property. Countries placed on the Priority Watch List are the focus

of increased bilateral attention concerning the problem areas.

USTR requests that, where relevant, submissions mention particular regions, provinces, States, or other subdivisions of a country in which an act, policy, or practice deserve special attention. Submissions may report positive or negative developments with respect to these entities.

#### *Requirements for Comments:*

Comments should include a description of the problems experienced by the submitter and the effect of the acts, policies, and practices on U.S. industry. Comments should be as detailed as possible and should provide all necessary information for assessing the effect of the acts, policies, and practices. Any comments that include quantitative loss claims should be accompanied by the methodology used in calculating such estimated losses. Comments must be in English. All comments should be sent electronically to <http://www.regulations.gov>, [docket number USTR–2010–0035].

Any comment containing business confidential information must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary will be placed in the docket and open to public inspection.

**Public Inspection of Submissions:** Comments will be placed in the docket and open to public inspection pursuant to 15 CFR 2006.13, except confidential business information exempt from public inspection in accordance with 15 CFR 2006.15. Comments may be viewed on the <http://www.regulations.gov> Web site by entering docket number [USTR–2010–0035] in the search field on the home page.

[Docket No. AB 1065X]

#### Indiana Southwestern Railway Co.— Abandonment Exemption—in Posey and Vanderburgh Counties, IN

Indiana Southwestern Railway Co. (ISW) filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments* to abandon 17.2 miles of interconnecting rail lines extending between (1) milepost 227.5 at Poseyville, Ind., and milepost 240.2 near German Township, Ind. (approximately 12.7 miles); and (2) milepost 277.5 at Cynthiana, Ind., and milepost 282.0 at Poseyville, Ind. (approximately 4.5 miles). The line traverses United States Postal Service Zip Codes 47612, 47620, 47633, 47708, 47720, and 47725.

ISW has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line to be rerouted; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service

over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on December 14, 2010, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,<sup>1</sup> formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),<sup>2</sup> and trail use/rail banking requests under 49 CFR 1152.29 must be filed by November 22, 2010. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by December 2, 2010, with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423–0001.

A copy of any petition filed with the Board should be sent to ISW's representative: William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave., NW., Suite 300, Washington, DC 20037.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

ISW has filed a combined environmental and historic report which addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by November 19, 2010. Interested persons may obtain a copy of the EA by writing

<sup>1</sup> The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

<sup>2</sup> Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 CFR 1002.2(f)(25).

to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423–0001) or by calling OEA, at (202) 245–0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1–800–877–8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), ISW shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by ISW's filing of a notice of consummation by November 12, 2011, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at <http://www.stb.dot.gov>.
