

and/or by mail known interested and affected publics. Notification of the proposed Wild Cramer Project and request for comments will be distributed to landowners who have property within a one mile radius of the project boundary (approximately 500 entities), as well as other interested parties. A field trip is being offered as part of the scoping process. News releases will be used to give the general public notice.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions.

Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered, however.

Dated: September 20, 2010.

Chip Weber,
Forest Supervisor.
