It also helps the public understand the Department’s information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner;

(3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: CARES Act Maintenance of Effort (MOE).

OMB Control Number: 1810-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local and Tribal Organizations.

Total Estimated Number of Annual Responses: 56.

Total Estimated Number of Annual Burden Hours: 280.

Abstract: This is a request for approval of a new emergency information collection that would solicit from States, Outlying Areas, and State educational agencies (SEAs) maintenance of effort (MOE) data under section 18008 of the CARES Act. Under four programs—the Governor's Emergency Education Relief Fund (GEER Fund, Section 18002) and the Elementary and Secondary School Emergency Relief Fund (ESSER Fund, Section 18003) and two formula grant programs to the Outlying Areas authorized under Section 18001(a)(1), Education Stabilization Fund-State Educational Agencies (ESF-SEA) and Education Stabilization Fund-Governors (ESF-Governor)—States are required to maintain fiscal effort on behalf of elementary, secondary and postsecondary education. Recipients of the resources from the ESSER Fund, the GEER Fund, the ESF-SEA Fund, and the ESF-Governor Fund have signed Certifications and Agreements, in which they agree to abide by the provisions of the CARES Act, including MOE requirements. The Department is requesting an emergency clearance to meet the requirements of the CARES Act and ensure that States and Outlying Areas are meeting the MOE requirement. In the publication of frequently asked questions regarding the Maintenance of Effort requirement, ED issued guidance and a sample form for States and Outlying Areas to submit this statutorily required data.

Additional Information: An emergency clearance approval for the use of the system is described below due to the following conditions. If this collection is not allowed to proceed, the Department will not be able to fulfill the mandates of the CARES Act, and properly monitor that States and

Outlying Areas maintain the level of support for elementary and secondary education, and State and Outlying Areas support for higher education in fiscal years 2020 and 2021 as agreed to in the GEER Fund, ESSER Fund and ESF-SEA Fund, and ESF-Governor Fund Certifications and Agreements.

Dated: August 3, 2020.

Kate Mullan,

PRA Coordinator, Strategic Collections and Clearance Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
