

with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁸ Case and rebuttal briefs should be filed using ACCESS.⁹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹⁰ Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.¹¹ An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹²

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹³

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴

If the weighted average dumping margin for Dillinger is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁵

If the weighted-average dumping margin for Dillinger is zero or *de minimis* in the final results, or an importer-specific assessment rate is zero or *de minimis* in the final results, we will instruct CBP not to assess antidumping duties on any such entries in accordance with the *Final Modification for Reviews*.¹⁶

Commerce's "automatic assessment" will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporter listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the less-than-fair-value

(LTFV) investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 21.04 percent, the all-others rate established in the LTFV investigation.¹⁸ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 28, 2022.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published in the **Federal Register** the countervailing duty (CVD) order on softwood lumber from Canada.¹ Several interested parties requested that Commerce conduct an administrative review of the *Order* and, on March 4, 2021, Commerce published in the **Federal Register** a notice of initiation of the third administrative review.² On May 5, 2021, we published in the **Federal Register** an additional notice of initiation of an administrative review for two companies that were inadvertently excluded from the March 4, 2021 notice.³ On April 20, 2021, Commerce selected the following producers and exporters as the mandatory respondents in the administrative review: Canfor Corporation, Resolute FP Canada Inc., and West Fraser Mills Ltd.⁴ On September 24, 2021, Commerce selected J.D. Irving, Limited as a voluntary

respondent in the administrative review.⁵

On September 2, 2021, Commerce extended the deadline for the preliminary results of this administrative review to January 28, 2022, in accordance with 19 CFR 351.213(h)(2).⁶ For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁷ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by this order is certain softwood lumber products from Canada. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

On June 2, 2021, the petitioner⁸ timely withdrew its request for an administrative review of Roland Boulanger & Cie Ltee (Roland). No other party requested a review of Roland. Accordingly, we are rescinding this review, in part, with respect to Roland, pursuant to 19 CFR 351.213(d)(1). For further information, *see* "Partial Rescission of Administrative Review" in the Preliminary Decision Memorandum.

Storey Lumber Co., Inc.; Stimson Lumber Company; Swanson Group; Weyerhaeuser Company; Carpenters Industrial Council; Giustina Land and Timber Company; and Sullivan Forestry Consultants, Inc.

For further information, *see* "Preliminary Intent to Rescind Administrative Review, in Part" in the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our preliminary conclusions, *see* the Preliminary Decision Memorandum. The list of topics discussed in the

⁹ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Preliminary Rate for Non-Selected Companies Under Review

There are 230 companies for which a review was requested and not rescinded but were not selected as mandatory respondents. The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, none of the rates for the respondents were zero, *de minimis*, or based entirely on facts available. Therefore, for the POR, we are assigning to the non-selected companies an average of the subsidy rates calculated for the companies that were selected as respondents in the administrative review.

For further information on the calculation of the non-selected rate, see "Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review" in the Preliminary Decision Memorandum. For a list of the non-selected companies, see Appendix II to this notice.

Preliminary Results of Review

For the period January 1, 2020, through December 31, 2020, we preliminarily determine the following estimated countervailable subsidy rates:

¹⁰ Commerce finds the following companies to be cross-owned with Canfor Corporation: Canadian Forest Products, Ltd. and Canfor Wood Products Marketing, Ltd.

¹¹ Commerce finds the following companies to be cross-owned with J.D. Irving, Limited: Miramichi Timber Holdings Limited, The New Brunswick Railway Company, Rothesay Paper Holdings Ltd., and St. George Pulp & Paper Limited.

¹² Commerce finds the following companies to be cross-owned with Resolute FP Canada Inc.: Produits Forestiers Maurice SEC. and Resolute Forest Products Inc.

¹³ Commerce finds the following companies to be cross-owned with West Fraser Mills Ltd.: West Fraser Timber Co., Ltd., Blue Ridge Lumber Inc., Sunpine Inc., Sundre Forest Products Inc., Manning Forest Products, Ltd., and West Fraser Alberta Holdings, Ltd.

Companies	Subsidy Rate <i>ad valorem</i> (percent)
Canfor Corporation and its cross-owned affiliates ¹⁰	1.83
J.D. Irving, Limited and its cross-owned affiliates ¹¹	2.33
Resolute FP Canada Inc. and its cross-owned affiliates ¹²	15.48
West Fraser Mills Ltd. and its cross-owned affiliates ¹³	8.46
Non-Selected Companies	6.88

Disclosure

We intend to disclose to parties to this proceeding the calculations performed in these preliminary results within five days of publication of this notice in the **Federal Register**.¹⁴

Verification

As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon for its final results. Normally, Commerce verifies information using standard procedures, including an on-site examination of original accounting, financial, and sales documentation. However, due to current travel restrictions in response to the global COVID-19 pandemic, Commerce is unable to conduct on-site verification in this review. Accordingly, we intend to verify the information relied upon for the final results through alternative means in lieu of an on-site verification.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance.¹⁵ A timeline for the submission of case and rebuttal briefs and written comments will be provided to interested parties at a later date. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information until further notice.¹⁶

Pursuant to 19 CFR 351.309(c) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are requested to submit for each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c)(2), interested parties who wish to request a hearing, limited to issues raised in the

case and rebuttal briefs, must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using ACCESS. Requests should contain the party's name, address, and telephone number; the number of participants; and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

Final Results

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by parties in their comments, within 120 days after the date of publication of these preliminary results.

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), Commerce has preliminarily assigned the subsidy rates as indicated above. Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2020, through December 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends, upon

publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each of the respective companies listed above and in Appendix II with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Legal Framework

Section 751(h) of the Tariff Act of
1930, as amended (the Act), defines a
“ministerial error” as including “errors
in addition, subtraction, or other
arithmetic function, clerical errors
resulting from inaccurate copying,
duplication, or the like, and any other
unintentional error which the
administering authority considers
ministerial.” With respect to final
results of administrative reviews, 19
CFR 351.224(e) provides that Commerce
“will analyze any comments received
and, if appropriate, correct any
ministerial error by amending . . . the
final results of review . . .”

Ministerial Error

Commerce agrees with the domestic
industry that Commerce made
inadvertent, unintentional errors in the
Final Results within the meaning of
section 751(h) of the Act and 19 CFR
351.224(f) with respect to its calculation
of financial ratios from the financial
statement of Alcomet A.B. used in the
calculation of normal value for
respondent, Jiangsu Alcha Aluminum
Co., Ltd., Baotou Alcha Aluminum Co.,
Ltd., and Alcha International Holdings
Limited (collectively, Alcha).
Accordingly, Commerce determines
that, in accordance with section 751(h)
of the Act and 19 CFR 351.224(f), it
made ministerial errors in the *Final
Results*.
