

liquidation instructions to entries only of subject merchandise exported by Red Zoo Marketing or J-D Marketing, Inc. (and its affiliate, Special Edition Marketing), that is produced or supplied by the companies that supplied these respondents during the POI. Any entries of subject merchandise exported by Red Zoo Marketing or J-D Marketing, Inc. (and its affiliate, Special Edition Marketing), which is not produced or supplied by the companies that supplied these respondents during the POI will be subject to the all-others rate.

For Red Zoo Marketing, because its estimated weighted-average final dumping margin is de minimis, we are directing Customs to terminate suspension of liquidation of entries of merchandise from Red Zoo Marketing that were produced by the companies that supplied Red Zoo Marketing during the POI and refund all bonds and cash deposits posted on such subject merchandise exported by Red Zoo Marketing. Because we never required suspension of liquidation or the posting of cash deposits or bonds for entries of merchandise from J-D Marketing, Inc., no such step is necessary.

These suspension-of-liquidation instructions will remain in effect until further notice.

International Trade Commission Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our final determination. As our final antidumping determination is affirmative, the ITC will determine, within 45 days, whether these imports are causing material injury or threat of material injury to the U.S. industry. If the ITC determines that material injury or threat of injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing Customs officials to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

with the regulations and the terms of an APO is a sanctionable violation.

This determination is issued and published pursuant to sections 735(d) and 777(i)(1) of the Act.

February 19, 2002.

Faryar Shirzad,

Assistant Secretary for Import Administration.
