

Office of Procurement and Property Management

Title: Procurement: Brand Name or Equal Provision and Clause.

OMB Control Number: 0505-0014.

Summary of Collection: In order to obtain goods or services, the United States Department of Agriculture (USDA), like other Federal agencies, has established agency contracting offices to enter into Federal contracts. The Agriculture Acquisition Regulation (AGAR) (48 CFR ch. 4) and the (48 CFR 411.171), provision (48 CFR 452.211-70), and a clause (48 452.211-71) permits the use of "brand name or equal" purchase descriptions to procure commercial products. Such descriptions require the offeror on a supply procurement to identify the "equal" item being offered and to indicate how that item meets the salient characteristics stated in the purchase description. The use of brand name or equal descriptions eliminates the need for bidders or offerors to read and interpret detailed specifications or purchase descriptions.

Need and Use of the Information: The Office of Procurement and Property Management (OPPM) will collect information to determine from the descriptive information furnished whether the offered "equal" item meets the salient characteristics of the Government's requirements. If information were not collected, OPPM would spend more time developing purchase descriptions and offerors would spend more time reading and interpreting the purchase descriptions.

Description of Respondents: Business or other for-profit.

Number of Respondents: 9,300.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 930.

Foreign Agricultural Service

Title: Food for Peace, Title I Financing and Record Keeping.

OMB Control Number: 0551-0005.

Summary of Collection: Title I of the Food for Peace Act (7 U.S.C. 1691) provides for U.S. government financing of sales of U.S. agricultural commodities to recipients (foreign countries or private entities). The Foreign Agricultural Service (FAS) is responsible for administering Food for Peace, Title I agreements. In accordance with the law, an agreement providing for long-term credit financing is first negotiated with the recipient through diplomatic channels. After an agreement has been signed, the recipient applies to FAS for authorization to purchase each commodity provided in the agreement. A purchase authorization is issued which provides for financing of commodity sales by the Commodity Credit Corporation (CCC), the USDA agency authorized by law to provide financing for Title 1. At least 75 percent of the gross tonnage of commodities purchased under Title I must be

shipped on privately owned U.S. flag commercial vessels to the extent such vessels are available at fair and reasonable rates. If ocean transportation is required to a country where there is no U.S. flag vessel coverage, a foreign vessel will be used at its prevailing rate. The recipient must send the pertinent terms of all proposed ocean freight contracts, regardless of whether any portion of the ocean freight is financed by CCC, to FAS for review and approval before the vessel is contracted.

Need and Use of the Information: FAS will collect information to insure that (1) suppliers keep accurate records on Title 1 transactions; (2) suppliers permit access to authorized USDA representatives (such as auditors and investigators); and (3) suppliers retain records for three years after final payment. FAS will review the information to ensure that there are no potential conflicts of interest. FAS also evaluates the sales price to ensure that it is within the prevailing range of export market prices. Without the information, FAS could not ensure program compliance.

Description of Respondents: Business or other for-profit.

Number of Respondents: 9.

Frequency of Responses: Recordkeeping; Reporting: On occasion.

Foreign Agricultural Service

Title: CCC's Export Enhancement Program (EEP) and CCC's Dairy Export Incentive Program (DEIP).

OMB Control Number: 0551-0028.

Summary of Collection: The major objective of the Dairy Export Incentive Program (DEIP) is to expand U.S. dairy product exports by paying cash to exporters as bonuses, allowing them to sell U.S. dairy products in targeted countries at competitive prices. Currently 102 countries and 3 country regions are targeted export destinations and 650 exporters are eligible to participate under the DEIP. Under 7 CFR part 1494, exporters are required to submit the following: (1) Information required for program participation, (2) performance security, (3) export sales information in connection with applying for a CCC bonus, and (4) evidence of export and related information. In addition, each exporter must maintain accurate records showing sales and deliveries of the eligible commodity exported in connection with an agreement made under the DEIP, as outlined in section 1494.1001.

Need and Use of the Information: The Foreign Agricultural Service (FAS) collects information from U.S. exporters in order to determine the exporters'

eligibility for the Export Enhancement Program (EEP) and the Dairy Export Incentive Program (DEIP). Program applicants can fax a letter in or applicants may register over the Internet. Information collected from U.S. Exporters is used by CCC to manage, plan for and evaluate the use of, and account for Government resources. Without the application and related information, FAS would be unable to properly qualify U.S. Exporters for EEP and DEIP.

Forest Service

Notice of New Recreation Fee Site; Federal Lands Recreation Enhancement Act, (Title VIII, Pub. L. 108-447)

AGENCY: Caribou-Targhee National Forest, USDA Forest Service.

ACTION: Notice of New Fee Site.

SUMMARY: The Caribou-Targhee National Forest is proposing to charge a \$35 fee for the overnight (summer use only) rental of Diamond Creek Guard Station. The guard station is used in the winter time as a warming hut but is currently unused during the summer season. Fees are assessed based on the level of amenities and services provided, cost of operations and maintenance, market assessment and public comment. The fee is proposed and will be determined upon further analysis and public comment. To date, an analysis of the cabin shows that the proposed fees are reasonable and typical of similar sites in the area. Rentals of other cabins on the Caribou-Targhee National Forest have shown that publics appreciate and enjoy the availability of historic and other type rental cabins. Funds from fees will be used for the continued operation and maintenance of the Diamond Creek Guard Station.

DATES: Comments will be accepted through June 15, 2010. Diamond Creek Guard Station will become available for rent beginning May 1 through Oct 30 of each summer season. The cabin will not

be available for rent during the winter season.

ADDRESSES: Forest Supervisor, Caribou-Targhee National Forest, 1405 Hollipark Dr., Idaho Falls, Idaho 83401.

FOR FURTHER INFORMATION CONTACT:

Jared Mattson on the Montpelier RD at 208-847-8946.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established. The Caribou-Targhee National Forest currently has nine other cabin rentals. These rentals are often fully booked throughout their rental season. A business analysis of Diamond Creek Guard Station has shown that people desire having this sort of recreation experience on the Caribou-Targhee National Forest. A market analysis indicates that the \$35/per night fee is both reasonable and acceptable for this sort of unique recreation experience.

People wanting to rent Diamond Creek Guard Station will need to do so through the National Recreation Reservation Service, at <http://www.recreation.gov> or by calling 1-877-444-6777. The National Recreation Reservation Service charges a \$9 fee for reservations.
