

objectives are to provide grants on a competitive basis to state, territorial, local, and Tribal governments to research, map, assess, and collect data on landslide hazards within the jurisdictions of those governments. In response to our Program Announcements, applicants submit proposals in priority areas including (a) advance landslide hazard mapping and assessments, (b) improve landslide hazard planning and coordination, and (c) improve dissemination and effectiveness of landslide hazard information in mitigating losses. This information is used as the basis for selection and award of projects meeting USGS Cooperative Landslide Hazard Mapping and Assessment Program priorities. Final Grant Close-Out Narrative Reports are required for each funded proposal; annual progress reports are required for awards that span more than two years. Final Grant Close-Out Narrative Reports are made available to the public at <https://www.usgs.gov/programs/landslide-hazards/science/external-grants-overview>.

Civil Case No. 22-2791-ACR

RESPONSE OF PLAINTIFF UNITED STATES OF AMERICA TO PUBLIC COMMENTS ON THE PROPOSED FINAL JUDGMENT

As required by the Antitrust Procedures and Penalties Act (the "Tunney Act"), 15 U.S.C. 16(b)–(h), Plaintiff United States of America hereby responds to the public comment received about the Proposed Final Judgment, ECF No. 128-4. After careful consideration of the comment received, the United States will move the Court for entry of the Proposed Final Judgment after the public comment and this Response have been published in the **Federal Register**, pursuant to 15 U.S.C. 16(d), and believes that the Court will conclude that the Proposed Final Judgment is in the public interest under the Tunney Act.

I. Procedural History

On September 8, 2021, Defendant ASSA ABLOY AB ("ASSA ABLOY") agreed to acquire the Hardware and Home Improvement division of Defendant Spectrum Brands Holdings, Inc. ("Spectrum") for approximately \$4.3 billion. On September 15, 2022, the United States filed an antitrust lawsuit to stop the proposed acquisition from being consummated. The United States' Complaint alleged that the proposed acquisition may substantially lessen competition in the markets for two types of residential door hardware (premium mechanical door hardware and smart locks) in the United States, in violation of Section 7 of the Clayton Act, 15 U.S.C. 18.

The parties vigorously litigated the case for more than seven months, culminating in a bench trial that began on April 24, 2023. On May 5, 2023, while the trial was ongoing, the United States filed a Proposed Final Judgment, Competitive Impact Statement, ECF No. 129, and Asset Preservation Stipulation and Order ("Stipulation"), ECF No. 128-1. The Competitive Impact Statement described the transaction and the Proposed Final Judgment. Through the Stipulation, which the Court entered on May 5, 2023, the parties and non-party divestiture buyer Fortune Brands Innovations, Inc. ("Fortune"), consented to the entry of the Proposed Final Judgment after compliance with the requirements of the Tunney Act. Under the Stipulation, Defendants and Fortune also agreed to abide by and comply with all the terms of the Proposed Final
