

Such activities include the receipt of funds or discounted services through the schools and libraries support mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism.¹²

Your suspension becomes effective upon the earlier of your receipt of this letter or publication of notice in the **Federal Register**, pending the Bureau's final debarment determination.¹³ In accordance with the Commission's debarment rules, you may contest this suspension or the scope of this suspension by filing arguments in opposition to the suspension, with any relevant documentation.¹⁴ Your request must be received within 30 days after you receive this letter or after notice is published in the **Federal Register**, whichever comes first.¹⁵ Such requests, however, will not ordinarily be granted.¹⁶ The Bureau may reverse or limit the scope of suspension only upon a finding of extraordinary circumstances.¹⁷ The Bureau will decide any request for reversal or modification of suspension within 90 days of its receipt of such request.¹⁸

II. Initiation of Debarment Proceedings

Your guilty plea and conviction of criminal conduct in connection with the E-Rate program, in addition to serving as a basis for immediate suspension from the program, also serves as a basis for the initiation of debarment proceedings against you. Your conviction falls within the categories of causes for debarment defined in section 54.8(c) of the Commission's rules.¹⁹ Therefore, pursuant to section 54.8 of the Commission's rules, your conviction requires the Bureau to commence debarment proceedings against you.²⁰

As with your suspension, you may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter or of publication in the **Federal Register**.²¹ Absent extraordinary circumstances, the Bureau will debar you.²² The Bureau will decide any request for reversal or limitation of debarment within 90 days of receipt of such request.²³ If the Bureau decides to debar you, its decision will become effective upon the earlier of your receipt of a debarment notice or publication of the decision in the **Federal Register**.²⁴

If and when your debarment becomes effective, you will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for three years from the date of debarment.²⁵ The Bureau may, if necessary to protect the public interest, extend the debarment period.²⁶

SUPPLEMENTARY INFORMATION: In compliance with 44 U.S.C. 3507, FDA has submitted the following proposed collection of information to OMB for review and clearance.

Medicated Feed Mill License Application—(OMB Control No. 0910-0337)—Extension

The Animal Drug Availability Act (ADAA) of October 9, 1996, amended section 512 of the Federal Food, Drug, and Cosmetic Act (the act) (21 U.S.C. 360b) to replace the system for the approval of specific medicated feed with a general licensing system for feed mills. Before passage of the ADAA, medicated feed manufacturers were required to obtain approval of Medicated Feed Applications (MFAs), in order to manufacture certain types of medicated feeds. An individual approved MFA was required for each and every applicable medicated feed. The ADAA streamlined the paperwork process for gaining approval to manufacture medicated feeds by replacing the MFA system with a facility license for each medicated feed manufacturing facility.

In the **Federal Register** of October 28, 2009 (74 FR 55556), FDA published a 60-day notice requesting public comment on the proposed collection of information. No comments were received.

FDA estimates the burden of this collection of information as follows:
