*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

The PCX neither solicited nor received written comments on the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The PCX has filed the proposed rule change pursuant to section 19(b)(3)(A) of the Act<sup>9</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>10</sup> Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder. As required under Rule 19b-4(f)(6)(iii), the PCX provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to filing the proposal with the Commission or such shorter period as designated by the Commission.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The PCX has requested that the Commission waive the 30-day operative delay specified in Rule 19b-4(f)(6) to allow the PCX to implement the proposed rule change as quickly as possible. In this regard, the PCX believes that the proposal is non-controversial because the Exchange seeks to maintain the uniformity of the trading session for all index options, options on the QQQs, and options on all ETFs. As a result, the PCX believes that the proposed rule change does not raise new regulatory issues, significantly affect the protection of investors or the public interest, or impose any significant burden on competition. The PCX believes that its request is consistent with the protection of investors and the public interest and

that good cause exists, including the PCX's need to maintain competition and efficiency.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because other options exchanges currently permit options on ETFs to trade until 4:15 p.m. (Eastern Time).<sup>11</sup> Accordingly, the PCX's proposal will make the PCX's rules consistent with the rules of other options exchanges. For this reason, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, and the Commission designates the proposal to be operative upon filing with the Commission.<sup>12</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether it is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following e-mail address: [rule-comments@sec.gov](mailto:rule-comments@sec.gov). All comment letters should refer to File No. SR-PCX-2004-16. The file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, comments should be sent in hardcopy or by e-mail but not by both methods. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the

provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the PCX. All submissions should refer to File No. SR-PCX-2004-16 and should be submitted by April 23, 2004.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>13</sup>

## DEPARTMENT OF STATE

[Public Notice 4679]

### Bureau of Political-Military Affairs; Statutory Debarment Under the International Traffic in Arms Regulations

**AGENCY:** Department of State.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the Department of State has imposed statutory debarment pursuant to section 127.7(c) of the International Traffic in Arms Regulations ("ITAR") (22 CFR 120 to 130) on persons convicted of violating or conspiring to violate section 38 of the Arms Export Control Act ("AECA") (22 U.S.C. 2778).

**EFFECTIVE DATE:** Date of conviction as specified for each person.

**FOR FURTHER INFORMATION CONTACT:** David Trimble, Director, Office of Defense Trade Controls Compliance,

Directorate of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State, (202) 663-2700.

**SUPPLEMENTARY INFORMATION:** Section 38(g)(4) of the AECA, 22 U.S.C. 2778, prohibits licenses and other approvals for the export of defense articles or defense services to be issued to a persons, or any party to the export, who has been convicted of violating certain statutes, including the AECA.

In implementing this section of the AECA, the Assistant Secretary for Political-Military Affairs is authorized by section 127.7 of the ITAR to prohibit any person who has been convicted of violating or conspiring to violate the AECA from participating directly or indirectly in the export of defense articles, including technical data or in the furnishing of defense services for which a license or approval is required. This prohibition is referred to as "statutory debarment".

Statutory debarment is based solely upon conviction in a criminal proceeding, conducted by a United States court, and as such the administrative debarment proceedings outlined in part 128 of the ITAR are not applicable.

The period for debarment will be determined by the Assistant Secretary for Political-Military Affairs based on the underlying nature of the violations, but will generally be three years from the date of conviction. At the end of the debarment period, licensing privileges may be reinstated only at the request of the debarred person following the necessary interagency consultations, after a thorough review of the circumstances surrounding the conviction, and a finding that appropriate steps have been taken to mitigate any law enforcement concerns, as required by section 38(g)(4) of the ITAR. It should be noted, however, that unless licensing privileges are reinstated, the person/entity will remain debarred.

Department of State policy permits debarred persons to apply to the Director of Defense Trade Controls Compliance for an exception from the period of debarment beginning one year after the date of the debarment, in accordance with section 38(g)(4) of the AECA and section 127.11(b) of the ITAR. Any decision to grant an exception can be made only after the statutory requirements under section 38(g)(4) of the AECA have been satisfied. If the exception is granted, the debarment will be suspended.

Debarred persons are generally ineligible to participate in activity regulated under the ITAR (see *e.g.*,
