The Committees provide an outside user perspective about how research and design plans for the 2010 decennial census, the American Community Survey, and other related programs realize goals and satisfy needs associated with these communities. They also assist the Census Bureau on ways that census data can best be disseminated to diverse race and ethnic populations and other users.

All meetings are open to the public. A brief period will be set aside on May 1 for public comment and questions. Individuals with extensive questions or statements must submit them in writing to the Committee Liaison Officer, named above, at least three days before the meeting.
