#### Statutory Time Limits

Section 751(a)(3)(A) of the Act requires the Department of Commerce ("the Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

#### Background

On August 20, 2001, we published a notice of initiation of the administrative review of bulk acetylsalicylic acid, commonly referred to as bulk aspirin, from the People's Republic of China. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 66 FR 43570 (August 20, 2001). The period of this review is July 6, 2000, through June 30, 2001. On August 7, 2002, we published the preliminary results of our review. In our notice of preliminary results, we stated our intention to issue the final results of this review no later than 120 days after the date of publication of the preliminary results, December 5, 2002.

#### Extension of Time Limits for Final Results

Due to the complexity of the surrogate value issues raised in the petitioner's case brief, we determine that it is not practicable to complete the final results of this review within the original time limit. Therefore, the Department is extending the time limit for completion of the final results until no later than February 3, 2003. This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: December 4, 2002.

#### Iron Construction Castings from Canada: Rescission of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of rescission of antidumping duty administrative review.

**EFFECTIVE DATE:** December 10, 2002.

**FOR FURTHER INFORMATION CONTACT:** Karine Gziryan or Howard Smith, AD/CVD Enforcement, Office 4, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4081 and (202) 482-5193, respectively.

#### SUPPLEMENTARY INFORMATION:

#### The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR part 351 (2002).

#### Background

On March 1, 2002, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the antidumping duty order on iron construction castings from Canada covering the period March 1, 2001 through February 28, 2002 (67 FR 9438).

On April 17, 2002, pursuant to a request by Canada Pipe Company, Ltd. (Canada Pipe), the Department initiated an administrative review of the antidumping duty order on iron construction castings from Canada for the period March 1, 2001, through February 28, 2002, (67 FR 20089) (April 24, 2002). On November 25, 2002, Canada Pipe withdrew its request for an administrative review.

#### Rescission of Review

Section 351.213(d)(1) of the Department's regulations provides that a party that requests an administrative review may withdraw the request within 90 days after the date of publication of the notice of initiation of the requested administrative review.

Although Canada Pipe withdrew its request for the review after the 90-day period had expired, the Department is rescinding the administrative review of the order on iron construction castings from Canada for the period March 1, 2001, through February 28, 2002 because no other party requested a review of Canada Pipe and it is otherwise reasonable to rescind the review. This action is consistent with the Department's practice. *See e.g., Frozen Concentrated Orange Juice From Brazil; Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 67 FR 40913 (June 14, 2002) where, pursuant to a request filed after the 90 day deadline, the Department rescinded the review with respect to one respondent because the review of that respondent had not progressed beyond a point where it would have been unreasonable to grant the request for rescission.

This notice is in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: November 29, 2002.

#### Notice of Extension of Time Limit for Preliminary Results of the Antidumping Duty Administrative Review: Certain Iron Construction Castings From the People's Republic of China

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** December 10, 2002.

**SUMMARY:** The Department of Commerce (the Department) is extending the time limit for the preliminary results of the antidumping duty administrative review on certain iron construction castings from the People's Republic of China. This review covers the period May 1, 2001, through April 30, 2002. The extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act").

**FOR FURTHER INFORMATION CONTACT:** Javier Barrientos or Julio A. Fernandez, AD/CVD Enforcement Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue, NW., Washington, DC 20230, at (202) 482-2243 or (202) 482-0961, respectively.

### Background

The Department of Commerce (the Department) received a request on May 30, 2002, from Powin Corporation, an importer of the subject merchandise, for an administrative review of the antidumping duty order on certain iron construction castings from the People's Republic of China (PRC) produced by Mucun Foundry of Fangzi District (Mucun Foundry). On June 25, 2002, the Department published a notice of initiation of this administrative review for the period of May 1, 2001, through April 30, 2002 (67 FR 42753).

### Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Act, the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

In light of the complexity of analyzing the factors of production data, including indirect labor and electricity expenses incurred, and the sales data of the associated exporter, it is not practicable to complete this review by the current deadline of January 30, 2003.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results by 120 days, until no later than May 30, 2003. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is issued and published in accordance to sections 751(a)(1) and 777(I)(1) of the Act.

Dated: December 3, 2002.

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for final results of antidumping duty administrative review.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for the final results of the review of stainless steel butt-weld pipe fittings from Taiwan. This review covers the period June 1, 2000 through May 31, 2001.

**EFFECTIVE DATE:** December 10, 2002.

**FOR FURTHER INFORMATION CONTACT:** James Doyle, Enforcement Group III—Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0159.

### Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (2001).

### Background

On July 23, 2001, the Department published a notice of initiation of this antidumping duty administrative review for the period of June 1, 2000 through May 31, 2001 (66 FR 38252). We published the preliminary results of review on July 9, 2002 (67 FR 45467). On November 7, 2002, (67 FR 67823) we extended the time limit for this review 30 days.

### Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results

within the 120-day period is not practicable for the following reasons:

- This review involves certain complex Constructed Export Price ("CEP") adjustments including but not limited to CEP Profit and CEP Offset which were raised by respondent and petitioners after the verification and after the preliminary results of review.
- The review involves a large number of transactions and complex adjustments other than those mentioned above.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 11 days until December 17, 2002.

Dated: December 4, 2002.
