1. Application for Supplemental Security Income—20 CFR 416.305–416.335, Subpart C—0960–0444. SSA

uses Form SSA–8001–BK to determine an applicant's eligibility for SSI and SSI payment amounts. SSA employees also collect this information during interviews with members of the public who wish to file for SSI. SSA uses the information for two purposes: (1) Formally deny SSI for non-medical

reasons when information the applicant provides results in ineligibility; or (2) establish a disability claim, but defer the complete development of non-medical issues until SSA approves the disability. The respondents are applicants for SSI.

Type of Request: Revision of an OMB-approved information collection.

2. Statement of Reclamation Action—31 CFR 210–0960–0734. Regulations governing the Federal Government Participation in the Automated Clearing House (1) allow SSA to send Social Security payments to Canada, and (2) mandate the reclamation of funds paid erroneously to a Canadian bank or financial institution after the death of a

Social Security beneficiary. SSA uses Form SSA–1713, Notice of Reclamation Action, to determine if, how, and when the Canadian bank or financial institution is going to return erroneous payments after the death of a Social Security beneficiary who elected to have payments sent to Canada. Form SSA–1712 (or SSA–1712 CN), Notice of

Reclamation-Canada Payment Made in the United States, is the cover sheet SSA prepares to request return of the payment. The respondents are Canadian banks and financial institutions who erroneously received Social Security payments.

Buy America Waiver Notification

AGENCY: Federal Highway Administration (FHWA), DOT.

Electronic Access

An electronic copy of this document may be downloaded from the **Federal Register's** home page at: <http://www.archives.gov> and the Government Publishing Office's database at: <http://www.access.gpo.gov/nara>.

Background

The FHWA's Buy America policy in 23 CFR 635.410 requires a domestic manufacturing process for any steel or iron products (including protective coatings) that are permanently incorporated in a Federal-aid construction project. The regulation also provides for a waiver of the Buy America requirements when the application would be inconsistent with the public interest or when satisfactory quality domestic steel and iron products are not sufficiently available. This notice provides information regarding the FHWA's finding that a Buy America waiver is appropriate for use of non-

domestic Cargo Cranes with minimum capacity of 92.5 US tons for Cleveland-Cuyahoga Ports Authority in the State of Ohio.

In accordance with Division K, section 122 of the "Consolidated and Further Continuing Appropriations Act, 2015" (Pub. L. 113-235), the FHWA published a notice of intent to issue a waiver on its Web site for non-domestic Cargo Cranes (<http://www.fhwa.dot.gov/construction/contracts/waivers.cfm?id=105>) on March 11. The FHWA received no comments in response to the publication. During the 15-day comment period, FHWA conducted additional review to locate potential domestic manufacturers of Cargo Cranes that meet the project specifications. Based on all the information available to the agency, FHWA concludes that there are no domestic manufacturers of the Cargo Cranes that meet the specifications for Cleveland-Cuyahoga Ports Authority.

In accordance with the provisions of section 117 of the SAFETEA-LU Technical Corrections Act of 2008 (Pub. L. 110-244, 122 Stat. 1572), FHWA is providing this notice as its finding that a waiver of Buy America requirements is appropriate. The FHWA invites public comment on this finding for an additional 15 days following the effective date of the finding. Comments may be submitted to the FHWA's Web site via the link provided to the Ohio waiver page noted above.
