

Affiliated QPAM. The Exemption Report also must be made unconditionally available to the independent auditor described in Section III(i) above;

(v) The annual Exemption Review, including the Compliance Officer's written Report, must be completed within 90 calendar days following the end of the period to which it relates. The annual Exemption Reviews under this exemption must cover the following periods: May 17, 2023, through May 16, 2024; May 17, 2024, through May 16, 2025; May 17, 2025, through May 16, 2026; May 17, 2026, through May 16, 2027; May 17, 2027, through May 16, 2028.

(n) AGI US complies in all material respects with the requirements imposed by a U.S. regulatory authority in connection with the AGI US Conviction;

(o) Each PIMCO Affiliated QPAM will maintain records necessary to demonstrate that the conditions of this exemption have been met for six (6) years following the date of any transaction for which the PIMCO Affiliated QPAM relies upon the relief in this exemption;

(p) During the Exemption Period, PIMCO must: (1) immediately disclose to the Department any Deferred Prosecution Agreement (a DPA) or Non-Prosecution Agreement (an NPA) with the U.S. Department of Justice, entered into by PIMCO or any of its affiliates (as defined in Section VI(d) of PTE 84–14) in connection with the conduct described in Section I(g) of PTE 84–14 or ERISA Section 411; and (2) immediately provide any information requested by the Department, as permitted by law, regarding the agreement and/or conduct and allegations that led to the agreement;

(q) Within 60 calendar days after the effective date of this exemption, each PIMCO Affiliated QPAM, in its agreements with, or in other written disclosures provided to Covered Plans, will clearly and prominently inform Covered Plan clients of their right to obtain a copy of the Policies or a description (Summary Policies) which accurately summarizes key components of the PIMCO Affiliated QPAM's written Policies developed in connection with this exemption. If the Policies are thereafter changed, each Covered Plan client must receive a new disclosure within 180 calendar days following the end of the calendar year during which the Policies were changed.¹⁹ With

respect to this requirement, the description may be continuously maintained on a website, provided that such website link to the Policies or Summary Policies is clearly and prominently disclosed to each Covered Plan;

(r) A PIMCO Affiliated QPAM will not fail to meet the conditions of this exemption solely because a different PIMCO Affiliated QPAM fails to satisfy a condition for relief described in Sections III(c), (d), (h), (i), (j), (k), (l), (o) or (q); or if the independent auditor described in Section III(i) fails to comply with a provision of the exemption other than the requirement described in Section III(i)(11), provided that such failure did not result from any actions or inactions of PIMCO or its affiliates; and

(s) All the material facts and representations set forth in the Summary of Facts and Representations are true and accurate at all times.

(t) With respect to an asset manager that becomes a PIMCO Affiliated QPAM after the effective date of this exemption by virtue of being acquired (in whole or in part) by PIMCO or a subsidiary of PIMCO (a "newly-acquired PIMCO Affiliated QPAM"), the newly-acquired PIMCO Affiliated QPAM would not be precluded from relying on the exemptive relief provided by PTE 84–14 notwithstanding the Conviction as of the closing date for the acquisition; however, the operative terms of the exemption shall not apply to the newly-acquired PIMCO Affiliated QPAM until a date that is six (6) months after the closing date for the acquisition. To that end, the newly-acquired PIMCO Affiliated QPAM will initially submit to an audit pursuant to Section III(i) of this exemption as of the first audit period that begins following the closing date for the acquisition. However, the first audit to which a newly-acquired QPAM submits may require the auditor to look back into the previous year for that particular QPAM. This will be the case where the interval between the acquisition date and the beginning of the next audit period is greater than 6 months.

Exemption dates: If granted, the exemption will be in effect for a period of five years beginning on May 17, 2023, and ending on May 16, 2028.

Signed at Washington, DC, this 22nd day of March, 2023.

AGENCY: Merit Systems Protection Board.

ACTION: 60-Day notice and request for comments.

MSPB is soliciting comments on this renewal, without change, of a previously approved collection set to expire on May 31, 2023. The purpose of this notice is to allow 60 days for public comment preceding submission of the collection to the OMB.

SUPPLEMENTARY INFORMATION: MSPB intends to seek a three-year renewal, without change, of a currently approved information collection “Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery,” OMB Control No. 3124–0015.

The proposed information collection activity provides a means to obtain qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with MSPB’s commitment to improving service delivery. Qualitative feedback is information that provides useful insights on perceptions and opinions but are not statistical surveys that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between MSPB and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

The solicitation of feedback will target areas such as: timeliness, appropriateness, accuracy of information, courtesy, efficiency of service delivery, and resolution of issues with service delivery. Responses will be assessed to plan and inform efforts to improve or maintain the quality of service offered to the public. If this information is not collected, vital feedback from customers and stakeholders on MSPB’s services will be unavailable.

The MSPB will only submit a collection for approval under this generic clearance if it meets the following conditions:

- The collections are voluntary;
- The collections are low-burden for respondents (based on considerations of total burden hours, total number of respondents, or burden-hours per respondent) and are low-cost for both the respondents and the Federal Government;
- The collections are non-controversial and do not raise issues of concern to other Federal agencies;
- Any collection is targeted to the solicitation of opinions from respondents who have experience with
