q. At this time, the Commission intends to prepare an Environmental Assessment for the project, in accordance with the National Environmental Policy Act.

r. *Scoping Meetings*: Commission staff will hold two scoping meetings at the time and place noted below. We invite all interested individuals, organizations, and agencies to attend one or both meetings, and to assist staff in identifying particular study needs, as well as the scope of environmental issues to be addressed in the environmental document. The times and locations of these meetings are as follows:

Scoping Meeting #1

Date and Time: August 16, 2005 from 7 to 9 p.m.

Location: Valdez Convention and Civic Center, 110 Clifton Drive, Valdez, Alaska.

Phone: (907) 835-4440.

Scoping Meeting #2

Date and Time: August 17, 2005 at 1 to 5 p.m.

Location: Hawthorn Suites Hotel, 1110 West 8th Ave., Anchorage, Alaska.

Phone: (907) 222-5005.

The scoping meetings are posted on the Commission's calendar, located on the internet at <http://www.ferc.gov/EventCalendar/EventsList.aspx>, along with other related information.

Site Visit

Green Power Development will conduct a site visit of the project on August 16, 2005, beginning at 1 p.m. Participants should be prepared to provide their own ground transportation. Drive from the town of Valdez on Dayville Road, traveling toward the Valdez Marine Terminal. Meet at the parking area on the left side of Dayville Road immediately before crossing the bridge over Allison Creek. From the parking lot participants will travel on foot to the proposed powerhouse site. Weather permitting, we will tour the water intake and dam sites at Allison Lake by aerial fly over. Anyone with questions about the site visit should contact Joel Groves of Green Power Development at (907) 258-2420. Those individuals planning to participate should notify Mr. Groves of their intent, before August 3, 2005.

Meeting Objectives

At the scoping meetings, staff will: (1) Initiate scoping of the issues; (2) review and discuss existing conditions and

resource management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activities that incorporates the time frames provided for in part 5 of the Commission's regulations and, to the extent possible, maximizes coordination of Federal, State, and tribal permitting and certification processes; and (5) discuss the appropriateness of any Federal or State agency or Indian tribe acting as a cooperating agency for development of our environmental document.

Meeting Procedures

The scoping meetings will be recorded by a court reporter and all statements, oral and written, will become part of the Commission's official public record for this project.
