

SBA has determined that the current information does not adequately meet its needs at the time of guaranty purchase review since the form does not collect enough details about the type of loan payments. Accordingly, SBA changed the column titled “DEFERMENT” to “TYPE OF PAYMENT.”

SBA also plans to revise and clarify the instructions for the Form 1149 to ensure the lenders will be aware of the information to be reported. Lastly, the Form 1149 may undergo additional formatting changes to make it easier to address mandatory Federal government 508 accessibility compliance.

This non-substantive change will likely not have a significant impact on the burden. SBA is requesting a 3-year renewal.
