

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) the Office of Management and Budget (OMB) invites the general public and Federal agencies to comment on a revision of an approved information form (SF-SAC) that is used to report audit results, audit findings, and questioned costs as required by the Single Audit Act Amendments of 1996 (31 U.S.C. 7501, *et seq.*) and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

In compliance with the American Recovery and Reinvestment Act of 2009 (ARRA), the proposed change is to add a new data element on Part III of the SF-SAC Form to identify ARRA expenditures. The current Form SF-SAC was designed for audit periods ending in 2008, 2009 and 2010. The proposed revised Form SF-SAC will replace the current form for audit periods ending 2010 and will also be used for audit periods ending in 2011 and 2012.

DATES: Submit comments on or before April 29, 2010. Late comments will be considered to the extent practicable.

ADDRESSES: Due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, we encourage respondents to submit comments electronically to ensure timely receipt. We cannot guarantee that mailed comments will be received before the comment closing date.

Electronic mail comments may be submitted to: Gilbert Tran at hai_m_tran@omb.eop.gov. Please include "Form SF-SAC Comments" in the subject line and the full body of your comments in the text of the electronic message, not as an attachment. Please include your name, title, organization, postal address, telephone number and e-mail address in the text of the message. Comments may also be submitted via facsimile to 202-395-3952.

Comments may be mailed to Gilbert Tran, Office of Federal Financial Management, Office of Management and Budget, Room 6025, New Executive Office Building, Washington, DC 20503.

All responses will be summarized and included in the request for OMB approval. All comments will also be a matter of public record.

FOR FURTHER INFORMATION CONTACT: Gilbert Tran, Office of Federal Financial Management, Office of Management and Budget, (202) 395-3052. The proposed revisions to the Information Collection

This database is publicly accessible on the Internet at <http://harvester.census.gov/fac/>. Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d)

ways to minimize the burden of the collection of information on those who respond, including through the use of automated collection techniques or other forms of information technology.
