

IV. Cancellation Order

Pursuant to FIFRA section 6(f), EPA hereby approves the requested cancellations of the registrations identified in Table 1 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Table 1 of Unit II. are canceled. The effective date of the cancellations that are the subject of this cancellation order is April 1, 2015. Any distribution, sale, or use of existing stocks of the products identified in Table 1 of Unit II. in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI. will be a violation of FIFRA.

V. What is the Agency's authority for taking this action?

Section 6(f)(1) of FIFRA, 7 U.S.C. 136d(f), provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** of January 22, 2014 (79 FR 3586) (FRL-9904-26). The comment period closed on February 21, 2014.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products that are currently in the United States and that were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The existing stocks provisions for the products subject to this order are as follows.

The registrants, Sergeant's Pet Care Products, Inc. (Sergeant's) and Wellmark International (Wellmark), may not "release for shipment," as that term is defined by 40 CFR 152.3, any additional products listed in Table 1 of Unit II., after April 1, 2015, and may not sell or distribute existing stocks of such product after April 1, 2016. All sale or distribution of such existing stocks by Sergeant's and Wellmark is prohibited after April 1, 2016, unless that sale or distribution is solely for the purpose of facilitating disposal or export of the product consistent with FIFRA section 17.

After April 1, 2016, persons other than registrants will be allowed to sell, distribute, or use existing stocks until

such stocks are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products.
