**Proposed Project: Performance Report
for Grants and Cooperative Agreements
(OMB No. 0915–0061)—Revision**

The HRSA Bureau of Health Professions (BHP) Performance Report for Grants and Cooperative Agreements is used to report grantee activities for Title VII and VIII health professions and nursing education and training programs. The reporting system measures the grantee's success in meeting (1) the objectives of the grant project, and (2) the cross-cutting outcomes developed for the Bureau of Health Professions' Title VII and VIII health professions and nursing education and training programs. The reporting system has two parts: Part I of the performance report is designed to collect information on activities specific to a given program and Part II, the core performance measures, collects data on overall project performance related to the Bureau's strategic goals, objectives, outcomes, and indicators. Progress will be measured based on the objectives of the grant project, and outcome measures and indicators developed by the Bureau to meet requirements of the Government Performance and Results Act (GPRA).

The Bureau will be making minor changes to the previously approved information collection request. First, a couple of tables in Parts I and II have been simplified to eliminate collecting multiple race combinations for two or more races. And second, a new measure will be added to collect outcome data on the State Primary Care Offices (PCOs) program.

The estimated annual burden is as follows:

Report	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
BHPr Performance Report	1,000	1	1,000	24	24,000
Total	1,000	1,000	24,000

E-mail comments to paperwork@hrsa.gov or mail the HRSA Reports Clearance Officer, Room 10–33, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: June 24, 2010.

Proposed Projects:

Title: Order/Notice to Withhold Income for Child Support.

OMB No.: 0970–0154.

Description: The Social Security Act requires that child support agencies, courts, tribes, private attorneys and all other entities use the OMB approved federal Income Withholding for Support when ordering or sending notice to employers/income withholders of the requirement to withhold income for child support. 42 U.S.C. 666(b)(6)(i) and (ii) requires the use of the Income Withholding for Support form in all cases enforced by child support agencies where payment is made by income withholding, whether the case is processed administratively or through the court. 42 U.S.C. 666(a)(8)(B)(iii) provides that the requirements of section 666(b)(6) are applicable to cases not being enforced by the state child support agency or private cases with initial orders issued on or after January

1, 1994. The form promotes standardization and is used for title IV–D and non-IV–D cases that require income withholding.

The Income Withholding for Support has been modified to address items identified by states and employers/income withholders. The shading on the form was removed because it obscures information when the form is faxed or scanned to an employer/income withholder. Also, a check box has been added to allow employers/income withholders to return the Income Withholding for Support form if payments are not directed through the State Disbursement Unit (SDU) as required by federal and state laws. With the addition of a mechanism to return Income Withholding for Support forms, payment instructions that conflict with federal and state laws will be addressed.

Respondents: Not applicable.
