

instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁴

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated duties, where applicable. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be equal to the weighted-average dumping margin listed above in the “Final Results of Review” section; (2) for merchandise exported by producers or exporters not covered in this review but covered in a previously completed segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the final results for the most recent period in which that producer or exporter participated; (3) if the exporter is not a firm covered in this review or in any previous segment of this proceeding, but the producer is, then the cash deposit rate will be that established for the producer of the merchandise in these final results of review or in the final results for the most recent period in which that producer participated; and (4) if neither the exporter nor the producer is a firm covered in this review or in any previously completed segment of this proceeding, then the cash deposit rate will be 11.80 percent *ad valorem*, the all-others rate established in the less than fair value investigation.⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

⁴ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁵ See *Order*, 80 FR 39996.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice is the only reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results and this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Dated: January 12, 2022.

Assistant Secretary for Enforcement and Compliance.

Certain Uncoated Paper From Brazil, the People’s Republic of China, and Indonesia: Affirmative Final Determinations of Circumvention of the Antidumping Duty Orders and Countervailing Duty Orders for Certain Uncoated Paper Rolls; Correction

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On December 14, 2021, the Department of Commerce (Commerce) published the **Federal Register** notice of the final determination in the anti-circumvention inquiries of the antidumping duty (AD) orders on certain uncoated paper from Brazil, the People’s Republic of China (China), and Indonesia and the countervailing duty (CVD) orders on certain uncoated paper from China and Indonesia. This notice inadvertently did not address Commerce’s intent to instruct U.S. Customs and Border Protection (CBP) to liquidate certain uncoated paper entries from China.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of December 14, 2021, in FR Doc 2021–26996, on page 71027, in the section titled “Liquidation of Entries,” between the second and third paragraph, include the following:

For all entries of merchandise subject to the AD order on uncoated paper from China, entered or withdrawn from warehouse for consumption on or after October 18, 2019, through February 28, 2021, Commerce intends to instruct CBP to liquidate those entries at the applicable AD rates for those entries.¹ For all entries of merchandise subject to the CVD order on uncoated paper from China, entered or withdrawn from warehouse for consumption on or after October 18, 2019, through December 31,

¹ Commerce is not conducting an administrative review of the AD order on uncoated paper from China for the period ending on February 28, 2021. Therefore, Commerce will instruct CBP to liquidate all entries through the end of the last administrative review period.

2020, Commerce intends to instruct CBP to liquidate those entries at the applicable CVD rates for those entries.²

Background

On December 14, 2021, Commerce published in the **Federal Register** the final determinations in the circumvention inquiries of the AD orders on certain uncoated paper from Brazil, China, and Indonesia and the CVD orders on certain uncoated paper from China and Indonesia.³ In the *Final Determination*, we inadvertently did not address Commerce's intent to instruct CBP to liquidate certain entries of uncoated paper from China. This notice serves to correct the "Liquidation of Entries" section of the *Final Determination*. No other changes have been made to the *Final Determination*.

Notification to Interested Parties

This determination is issued and published in accordance with section 781(a) of the Tariff Act of 1930, as amended, and 19 CFR 351.225(g).
