SUPPLEMENTARY INFORMATION:

(1) PBGC is proposing to update the *Official Addresses*, the citation to the *Contesting Records Procedures* section, and to clarify the *Policies and Practices for Retention and Disposal of Records* section.

PBGC is updating the Official Address to reflect PBGC's new headquarters location. When PBGC reviewed and revised its system of records notices in 2018, it inadvertently dropped the citation to its regulations that explain the process to contest information contained in records maintained by PBGC. PBGC is adding the citation to 29 CFR 4902.5 to the *Contesting Records Procedures* section of this SORN. Additionally, upon review, it was noticed that the *Routine Uses* section contained a typographical error. PBGC is amending the Privacy Act citation, changing it from 5 U.S.C. 522a(b) to 5 U.S.C. 552a(b).

PBGC is also clarifying the procedures outlined in *Policies and Practices for Retention and Disposal of Records* in accordance with NARA (44 U.S.C. 3301, *et seq.*). Finally, PBGC is updating the citation to the last time PBGC published this SORN.

(2) PBGC is proposing to amend the purpose of the system, categories of records contained in the system, amend the record source categories, amend one routine use, and add one routine use to PBGC-6: *Plan Participant and Beneficiary Data*.

PBGC is proposing the following revisions to PBGC-6: *Plan Participant and Beneficiary Data* (last published at 83 FR 6256 (February 13, 2018)): Amend the purpose of the system of records; categories of records contained in the system; amend the record source categories; amend one routine use; and add one new routine use.

PBGC is proposing to amend the purpose of the system of records to include "providing routine customer service; verifying the identity of participants, alternate payees, beneficiaries, spouses and authorized agents," which will permit PBGC to use

the information contained within the system of records to verify an individual's identity to determine whether they are authorized to access or modify records within the system or records.

PBGC is proposing to amend the categories of records contained in the system of records by adding "tax identification numbers" and clarifying that debts owed are those debts owed to the Federal Government.

PBGC is proposing the amendment of Routine Use 17, which currently permits disclosure to third parties that provide locator services when PBGC has no address on file or mail has been returned as undeliverable. After review of the routine use and agency practices, PBGC is clarifying that other Federal agencies may be one of the third parties that provide locator services to PBGC and that PBGC may need to use locator services when it is unable to make benefit payments because the agency is unable to confirm that an address is current or correct. The amended portions of Routine Use 17 will indicate that "other Federal agencies" may provide locator services and that PBGC may use these services if it has been "unable to make benefit payments to those participants, beneficiaries, and alternate payees because the address on file is unable to be confirmed as current or correct."

PBGC is proposing the addition of a Routine Use 20, which will read, "Names and addresses may be disclosed to licensees of the United States Postal Service (USPS) to obtain current addresses under the USPS's National Change of Address Linkage System (NCOA). Disclosure will be made only under a contract that binds the licensee of the USPS and its employees to the civil and criminal penalties of the Privacy Act. The contract must provide that the records disclosed by PBGC are used exclusively for updating addresses under NCOA and must be returned to PBGC or destroyed when the process is completed. The records will be exchanged electronically in an encrypted format." This routine use is necessary as it allows PBGC to use the USPS records to locate participants and beneficiaries it might not otherwise be able to locate.

Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written comments on the proposed changes described in this notice. A report has been sent to Congress and the Office of Management and Budget for their evaluation.
