EPA Science Advisory Board Staff Office Notification of a Meeting of the Ecological Effects Subcommittee of the Advisory Council on Clean Air Compliance Analysis (Council)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces a public meeting of the Ecological Effects Subcommittee (EES) of the Advisory Council on Clean Air Compliance Analysis (Council). The EES, supplemented with additional members from the Science Advisory Board and the Clean Air Scientific Advisory Committee, will review draft documents regarding ecological effects of modeled air quality scenarios developed to support the Second Section 812 Benefit-Cost Analysis of the Clean Air Act. The assessment of ecological effects has been developed in support of the Office of Air and Radiation's Second Section 812 Prospective Analysis of the benefits and costs of the Clean Air Act.

DATES: The EES augmented with additional experts will meet on Tuesday, March 9, 2010 and Wednesday, March 10, 2010, beginning at 8:30 a.m. and ending no later than 5 p.m. (Eastern Time), each day.

ADDRESSES: The public meeting will be held at the SAB Conference Center at 1025 F Street, NW., Suite 3700, Washington, DC 20004.

FOR FURTHER INFORMATION CONTACT: Members of the public who wish to obtain further information about this meeting may contact Ms. Stephanie Sanzone, Designated Federal Officer

(DFO), EPA Science Advisory Board Staff Office (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; *by telephone/voice mail:* (202) 343-9697 or at sanzone.stephanie@epa.gov. General information about the Council may be found on the Council Web site at: <http://www.epa.gov/advisorycouncilcaa>.

SUPPLEMENTARY INFORMATION:

Background: Pursuant to the Federal Advisory Committee Act, 5 U.S.C., App. 2 (FACA), notice is hereby given that the Ecological Effects Subcommittee (EES) of the Advisory Council on Clean Air Compliance Analysis (Council), augmented with additional experts, will hold a public meeting to evaluate draft documents regarding ecological effects of modeled air quality scenarios developed to support the Second Section 812 Benefit-Cost Analysis of the Clean Air Act. The Council was established in 1991 pursuant to the Clean Air Act (CAA) Amendments of 1990 (42 U.S.C. 7612) to provide advice, information and recommendations on technical and economic aspects of analyses and reports EPA prepares on the impacts of the CAA on the public health, economy, and environment of the United States. The Council is a Federal Advisory Committee chartered under FACA. The EES will provide advice through the Council and will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Pursuant to Section 812 of the 1990 Clean Air Act Amendments (CAAA), EPA conducts periodic studies to assess benefits and costs of the EPA's regulatory actions under the Clean Air Act. The Council has provided advice on an EPA retrospective study published in 1997 and an EPA prospective study completed in 1999. EPA initiated a second prospective study to evaluate the benefits and costs of EPA Clean Air programs for years 1990-2020. The Council has previously provided advice on the analytical blueprint for this study. EPA's Office of Air and Radiation (OAR) is now nearing completion of the analytical work for the second prospective study.

At the March 9 and 10, 2010 meeting, the EES will review draft technical documents pertaining to ecological effects associated with air quality scenarios developed using the Community Multiscale Air Quality (CMAQ) model for seven emissions scenarios: a 1990 baseline simulation; and simulations for 2000, 2010 and 2020 with and without the CAAA. The draft documents compare simulated

pollutant exposures with the distribution of sensitive ecosystems in the United States to assess ecosystems at risk from acidic deposition, total nitrogen deposition, and tropospheric ozone concentrations. In addition, the draft documents present case studies on benefits of the CAAA for recreation fishing and the timber industry in the Adirondack Region of New York State. Chapter 4 of the draft *Benefits Analyses to Support the Second Section 812 Benefit-Cost Analysis* describes the estimation of the physical effects of the air quality scenarios for ozone on agriculture and commercial forestry.

OAR is requesting that the EES review the data choices, methodological choices for analyzing the data, and the overall validity and utility of the estimated changes in ecological effects from air pollution between the with-CAAA90 and without-CAAA90 scenarios. The following documents are provided to the EES: (1) *Effects of Air Pollutants on Ecological Resources: Literature Review and Case Studies. Draft Report*, February 2010. Prepared by Industrial Economics, Inc., for James DeMocker, EPA Office of Policy Analysis and Review; and (2) *Benefits Analyses to Support the Second Section 812 Benefit-Cost Analysis of the Clean Air Act, Draft. Chapter 4: Agricultural and Forest Productivity Benefits. Draft Report*, February 2010. Prepared by Industrial Economics, Inc., for the EPA Office of Air and Radiation.

Technical Contacts: The Office of Air and Radiation technical contact for the Second Section 812 Benefit-Cost Analysis of the Clean Air Act is Mr. Jim DeMocker at (202) 564-1673 or democker.jim@epa.gov.

Availability of Meeting Materials: EPA draft documents provided to the EES are available at <http://www.epa.gov/oar/sect812/prospective2.html>.

The meeting agenda for March 9 and 10, 2010 and any background materials will be posted on the Council Web site <http://www.epa.gov/advisorycouncilcaa> prior to the meeting.

Procedures for Providing Public Input: Interested members of the public may submit relevant written information on the group conducting the activity or written or oral information for the EES to consider on the topics of this advisory activity. *Oral Statements:* In general, individuals or groups requesting an oral presentation at a public meeting will be limited to five minutes per speaker, with no more than one hour for all speakers. Interested parties should contact Ms. Sanzone at the contact information provided above by March 2, 2010, to be placed on the public speaker list for the March 9 and

10, 2010 meeting. *Written Statements:* Written statements should be received in the SAB Staff Office by March 2, 2010, so that the information may be made available to the EES for their consideration prior to the meeting. Written statements should be supplied to Ms. Sanzone in the following formats: one hard copy with original signature and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, MS Word, WordPerfect, MS PowerPoint, or Rich Text files). Submitters are asked to provide electronic versions of each document submitted with *and* without signatures, because the SAB Staff Office does not publish documents with signatures on its Web sites.

Accessibility: For information on access or services for individuals with disabilities, please contact Ms. Sanzone at (202) 343-9697, or via e-mail at sanzone.stephanie@epa.gov, preferably at least ten (10) days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: February 18, 2010.

Vanessa T. Vu,

Director, EPA Science Advisory Board Staff Office.

Difenzoquat; Product Cancellation Order for Certain Pesticide Registrations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellation, voluntarily requested by the registrant and accepted by the Agency, of products containing the pesticide difenzoquat, pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows a November 25, 2009 **Federal Register** Notice of Receipt of Request from the registrant listed in Table 1 to voluntarily cancel these product registrations. These are the last products containing these pesticides registered for use in the United States. In the November 25, 2009 Notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrant withdrew their request within this period. The Agency did not receive any comments on the Notice. Further, the registrant did not withdraw their request. Accordingly, EPA hereby issues in this Notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective February 24, 2010.

FOR FURTHER INFORMATION CONTACT: Eric Miederhoff, Pesticide Re-evaluation Division (7508P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001; telephone number: (703) 347-8028; fax number: (703) 308-7070; e-mail address: miederhoff.eric@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general, and may be of interest to a wide range of stakeholders including environmental, human health, and agricultural advocates; the chemical industry; pesticide users; and members of the public interested in the sale, distribution, or use of pesticides. Since others also may be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Copies of this Document and Other Related Information?

EPA has established a docket for this action under docket identification (ID) number EPA-HQ-OPP-2009-0787. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the Office of Pesticide Programs (OPP) Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

II. What Action is the Agency Taking?

This Notice announces the cancellation, as requested by registrants, of products registered under section 3 of FIFRA. These registrations are listed in sequence by registration number in Table 1 of this unit.

TABLE 1. — DIFENZOQUAT PRODUCT CANCELLATIONS

Registration Number	Product Name	Company
5481-536	Avenge Technical Herbicide	AMVAC Chemical Corporation
5481-537	Avenge Wild Oat Herbicide	AMVAC Chemical Corporation
5481-538	Avenge SG Wild Oat Herbicide	AMVAC Chemical Corporation
