[Release No. 34-61558; File No. SR-Phlx-2010-16]

Self-Regulatory Organizations; NASDAQ OMX PHLX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Modification of Fees

February 22, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹, and Rule 19b-4 thereunder,² notice is hereby given that on January 28, 2010, NASDAQ OMX PHLX, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to: (i) Amend its Monthly Cap on equity options transaction fees; (ii) amend the calculation of the Monthly Cap; and (iii) amend the fee schedule to reflect current appeal fees and make other technical modifications.

While changes to the Exchange's Fee Schedule pursuant to this proposal are effective upon filing, the Exchange has designated this proposal to be operative for trades settling on or after February 1, 2010.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqtrader.com/micro.aspx?id=PHLXfilings>, on the Commission's Web site at <http://www.sec.gov>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹² 17 CFR 200.30-3(a)(12).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to decrease the current Monthly Cap on equity options transactions from \$900,000 to \$750,000. The Monthly Cap is currently applicable to ROTs³ and specialists.⁴ The Exchange believes that by reducing the Monthly Cap, a greater number of members may benefit from the Monthly Cap and the Exchange will attract additional order flow.

Additionally, the Exchange proposes to amend the calculation of the Monthly Cap by aggregating the trading activity of separate ROTs and specialist member organizations if there is at least 75% common ownership between the member organizations as reflected on each member organizations' Form BD, Schedule A. The Exchange believes that this aggregation will create an additional incentive for members to transact more business on the Exchange.

The Exchange also proposes to memorialize certain appeal fees on its Fee Schedule. Currently the Exchange assesses a forum fee of \$100 pursuant to Exchange Rule 60, Commentary (a).⁵ This forum fee is assessed when a member contests a citation imposed pursuant to Rule 60 and the citation is upheld by the reviewing body. Additionally, the Exchange assesses a \$250 fee on members seeking a review of an Options Exchange Official ruling

pursuant to Exchange Rule 124.⁶ Specifically, a member or member organization seeking the Referee's review of a Floor Official ruling concerning the nullification or adjustment of a trade would be assessed a fee of \$250 for each Floor Official ruling they seek to have reviewed if the Referee upholds the Floor Official decision. No fee would be assessed to the member or member organization seeking a review if the Floor Official decision is overturned or modified. These fees do not currently appear on the Exchange's Fee Schedule. The Exchange proposes to list these fees, which are currently in effect, on the Fee Schedule in order to provide additional notice to members of these fees, which exist in the Exchange Rules.

The Exchange also proposes to make a technical modification to the Fee Schedule by moving the location of the Options Regulatory Fee on the Fee Schedule and creating a separate text box for that fee for purposes of clarity. The proposed changes to the Fee Schedule will be effective for transactions settling on or after February 1, 2010.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act⁷ in general, and furthers the objectives of Section 6(b)(4) of the Act⁸ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that members will benefit from the reduced Monthly Cap and the proposed amendment to the calculation of the monthly cap in that a greater number of members will be able to qualify for the Monthly Cap and this would decrease fees to members. Also, the addition of the appeal fees should provide additional notice to members of these fees.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and paragraph (f)(2) of Rule 19b-4¹⁰ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
