SFPP, L.P.; SFPP, L.P.; SFPP, L.P.; SFPP, L.P.; Notice of Filing

Take notice that on February 10, 2011, the SFPP, L.P. filed with the Commission a proposal to provide refunds to shippers who were not litigants in the captioned dockets. Such shippers may be entitled to refunds pursuant to the Commission's orders dated December 8, 2006 (*SFPP, L.P.*, 117 FERC ¶ 61, 285 (2007)), December 26, 2007 (*SFPP, L.P.*, 121 FERC ¶ 61,240 (2007)), and February 5, 2008 (*SFPP, L.P.*, 122 FERC ¶ 61,133 (2008)). SFPP states that the cited orders may have modified the refund amounts due shippers under prior orders in the captioned dockets, and that those shippers may in fact owe SFPP sums that it is entitled to recoup from those shippers. To assure that it recovers the sums due it, SFPP proposes to set aside as a reserve 29.74 percent of the total additional refunds it had determined are due certain shippers that did not participate in the litigation in the cited dockets. Thus the total amount refunds remaining due could be reduced by sums still due SFPP, but which it fails to collect within 180 days after a Commission order issues. Because the proposal is a part of an uncontested settlement, the Commission will shorten the comment period to 10 calendar days, or Friday, February 25, 2011. Portions of the filing are confidential and shippers concerned with potential impact on their refunds should contact SFPP directly by calling Charles

Caldwell, Esq., a lawyer at Vinson and Elkins, First City Tower, 1001 Fannin Street, Suite 2500, Houston, TX 77002-6760, telephone number 713 758-4518.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Adequacy of Arizona Municipal Solid Waste Landfill Permit Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of Tentative Determination of Adequacy and Opportunity to Comment.

SUMMARY: The Environmental Protection Agency Region IX is proposing to approve a modification to Arizona's municipal solid waste landfill (MSWLF) permit program to allow the State to issue research, development, and demonstration (RD&D) permits for new and existing MSWLF units and lateral expansions. The modification will allow the Director of the approved State program to provide a variance from certain MSWLF criteria, provided that the MSWLF owner/operator demonstrates that compliance with the RD&D permit will not increase risk to human health and the environment. The Director may provide a variance from existing requirements of MSWLF criteria for run-on control systems, liquids restrictions, and final cover. EPA is seeking public comment on its tentative determination of adequacy of Arizona's RD&D modification to its MSWLF permit program.

DATES: Comments must be received on or before April 25, 2011. If sufficient public interest is expressed, EPA will hold a public hearing on April 25, 2011 at 4 p.m. in Room 145, Arizona Department of Environmental Quality, 1110 West Washington Street, Phoenix, Arizona. If by April 11, 2011, EPA does not receive sufficient public interest for a public hearing, EPA may cancel the public hearing with no further notice. If
