

Order 13284 of January 23, 2003, I hereby determine that the individual known as, also known as Abdelali Abou Dher, also known as El Harrachi committed, or poses a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of Executive Order 13224 that "prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously," I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This notice shall be published in the **Federal Register**.

Dated: May 14, 2010.

Hillary Rodham Clinton,
Secretary of State.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the

meaning of 23 U.S.C. 139(1)(1). This action relates to an approval of a proposed highway project corridor.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(1)(1). A claim seeking judicial review of the Federal agency actions on the highway Project will be barred unless the claim is filed on or before November 22, 2010. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the FHWA and other Federal agencies have taken final agency actions by issuing approvals for the Placer Parkway Corridor Preservation Project—Tier 1 in the State of California. The FHWA has selected the Alternative 5 Corridor with a no access buffer zone for the future Placer Parkway project in south Sutter County and southwestern Placer County, California. The selection of a corridor will allow for the protection of the corridor and the facilitation of land use and circulation planning by local agencies. With the adoption of this Record of Decision (ROD) by FHWA, Caltrans and Local Transportation Agencies will use the Tier 1 EIS/EIR and its supporting studies to proceed with the identification and environmental analysis of project level design and operational alternatives, with the knowledge that the overall project location has been approved.

Actions by the Federal agencies and the laws under which such actions were taken are described in the Final Tier 1 EIS/EIR for the project. The ROD was

approved on May 7, 2010. The Final Tier 1 EIS/EIR and other documents in the FHWA administrative record file are available by contacting the FHWA, Caltrans, or the PCTPA at the addresses provided above.
