#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

Opportunities to bid for contracts under the North Atlantic Treaty Organization (NATO) Security Investment Program (NSIP) are only open to firms of member NATO countries. NSIP procedures for international competitive bidding (AC/4-D/2261) require that each NATO country certify that their respective firms are eligible to bid on such contracts. This is done through the issuance of a "Declaration of Eligibility." The U.S. Department of Commerce, Bureau of Industry and Security (BIS) is the executive agency responsible for certifying U.S. firms. The BIS-4023P is the application form used to collect information needed to ascertain the eligibility of a U.S. firm. BIS will review applications for completeness and accuracy, and determine a company's eligibility based on its financial viability, technical capability, and security clearances with the U.S. Department of Defense.
