**[Docket No: SSA-2020-0051]**

### Agency Information Collection Activities: Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and

recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov) (SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: [OR.Reports.Clearance@ssa.gov](mailto:OR.Reports.Clearance@ssa.gov)

SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than January 7, 2021. **1. Disability Report-Appeal—20 CFR 404.1512, 416.912, 404.916(c), 416.1416(c), 422.140, 404.1713, 416.1513, 404.1740(b)(4), and 416.1540(b)(4)—0960-0144.** SSA requires disability applicants who wish to appeal an unfavorable determination

to complete Form SSA-3441-BK; the associated Electronic Disability Collect System (EDCS) interview; or the internet application, i3441. This allows claimants to disclose any changes to their disability, or resources, which might influence SSA's unfavorable determination. SSA may use the information to: (1) Reconsider and review an initial disability determination; (2) review a continuing disability; and (3) evaluate a request for a hearing. This information assists the State Disability Determination Services (DDS) and administrative law judges (ALJ) in preparing for the appeals and hearings, and in issuing a determination or decision on an individual's entitlement (initial or continuing) to disability benefits. In addition, the information we collect on the SSA-3441-BK, or related modalities, facilitates SSA's collection of medical information to support the applicant's request for reconsideration; request for benefits cessation appeal; and request for a hearing before an ALJ. Respondents are individuals who appeal denial, reduction, or cessation of Social Security disability benefits and Supplemental Security Income (SSI) payments; individuals who wish to request a hearing before an ALJ; or their representatives.

**Type of Request:** Revision of an OMB-approved information collection.

**2. Annual Earnings Test Direct Mail Follow-Up Program Notices—20 CFR 404.452-404.455—0960-0369.** SSA developed the Annual Earnings Test Direct Mail Follow-up Program to improve beneficiary reporting on work and earnings during the year and earnings information at the end of the year. SSA may reduce benefits payable under the Social Security Act (Act)

when an individual has wages or self-employment income exceeding the annual exempt amount. SSA identifies beneficiaries likely to receive more than the annual exempt amount, and requests more frequent estimates of earnings from them. When applicable, SSA also requests a future year estimate to reduce overpayments due to earnings. SSA sends letters (SSA-L9778, SSA-L9779,

SSA-L9781, SSA-L9784, SSA-L9785, and SSA-L9790) to beneficiaries requesting earnings information the month prior to their attainment of full retirement age. We send each beneficiary a tailored letter that includes relevant earnings data from SSA records. The Annual Earnings Test Direct Mail Follow-up Program helps to ensure Social Security payments are

correct, and enables us to prevent earnings-related overpayments, and avoid erroneous withholding. The

respondents are working Social Security beneficiaries with earnings over the exempt amount.

*Type of Request:* Revision of an OMB-approved information collection.

**3. Request for Social Security Earnings Information—20 CFR 401.100 and 404.810—0960-0525.** The Social Security Act permits wage earners, or their authorized representatives, to request Social Security earnings information from SSA using Form SSA-7050-F4. SSA uses the information the respondent provides on Form SSA-

7050-F4 to verify the wage earner has: (1) Earnings; (2) the right to access the correct Social Security Record; and (3) the right to request the earnings statement. If we verify all three items, SSA produces an Itemized Statement of Earnings (Form SSA-1826) and sends it to the requestor. The agency charges respondents for sending them an

Itemized Statement of Earnings.

Respondents are wage earners and their authorized representatives who are requesting Itemized Statement of Earnings records.

They collect medical

evidence from consultative examination (CE) sources; credential information from CE source applicants; and medical evidence of record (MER) from claimants' medical sources. The

MMA also mandated the provision of subsidies for those individuals who qualify for the program and who meet eligibility criteria for help with premium, deductible, or co-payment costs. This law requires SSA to make eligibility determinations, and to provide a process for appealing SSA's determinations. Regulation sections 418.3625(c), 418.3645, 418.3665(a), and

418.3670 contain public reporting requirements pertaining to administrative review hearings. Respondents are applicants for the Medicare Part D subsidies who request an administrative review hearing.

8. *Electronic Records Express—20 CFR 404.1512 and 416.912—0960–0753.* Electronic Records Express (ERE) is a Web-based SSA program which allows medical and educational providers to electronically submit disability claimant data to SSA. Both medical providers and other third parties with connections to disability applicants or recipients (e.g., teachers and school administrators for child disability applicants) use this system once they complete the

registration process. SSA employees and State agency employees request the medical and educational records collected through the ERE website. The agency uses the information collected through ERE to make a determination on an Application for Benefits. We also use the ERE website to order and receive consultative examinations when we are unable to collect enough medical records to determine disability findings. The respondents are medical providers

who evaluate or treat disability claimants or recipients, and other third parties with connections to disability applicants or recipients (e.g., teachers and school administrators for child disability applicants), who voluntarily choose to use ERE for submitting information.
