

Avenue, NW., Washington, DC 20230, at (202) 482-2243 or (202) 482-0961, respectively.

Background

The Department of Commerce (the Department) received a request on May 30, 2002, from Powin Corporation, an importer of the subject merchandise, for an administrative review of the antidumping duty order on certain iron construction castings from the People's Republic of China (PRC) produced by Mucun Foundry of Fangzi District (Mucun Foundry). On June 25, 2002, the Department published a notice of initiation of this administrative review for the period of May 1, 2001, through April 30, 2002 (67 FR 42753).

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Act, the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

In light of the complexity of analyzing the factors of production data, including indirect labor and electricity expenses incurred, and the sales data of the associated exporter, it is not practicable to complete this review by the current deadline of January 30, 2003.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results by 120 days, until no later than May 30, 2003. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is issued and published in accordance to sections 751(a)(1) and 777(I)(1) of the Act.

Dated: December 3, 2002.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

EFFECTIVE DATE: December 10, 2002.

FOR FURTHER INFORMATION CONTACT: James Doyle, Enforcement Group III—Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0159.

Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (2001).

Background

On July 23, 2001, the Department published a notice of initiation of this antidumping duty administrative review for the period of June 1, 2000 through May 31, 2001 (66 FR 38252). We published the preliminary results of review on July 9, 2002 (67 FR 45467). On November 7, 2002, (67 FR 67823) we extended the time limit for this review 30 days.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results

within the 120-day period is not practicable for the following reasons:

- This review involves certain complex Constructed Export Price ("CEP") adjustments including but not limited to CEP Profit and CEP Offset which were raised by respondent and petitioners after the verification and after the preliminary results of review.
- The review involves a large number of transactions and complex adjustments other than those mentioned above.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 11 days until December 17, 2002.

Dated: December 4, 2002.
