We will protect information from respondents considered proprietary under the Freedom of Information Act (5 U.S.C. 552) and its implementing regulations (43 CFR part 2), and under regulations at 30 CFR 250.197, “Data and information to be made available to the public or for limited inspection.” Responses are voluntary. No questions of a “sensitive” nature are asked.

Frequency of Collection: Annually.

Respondent's Obligation: Voluntary (necessary to receive benefits).

Estimated Number and Description of Respondents: Approximately 60 University/College Professors or faculty advisors annually.

Annual Burden Hours: 1,100 hours.

Estimated Annual Reporting and Recordkeeping “Hour” Burden: We expected to receive approximately 55 applications taking each applicant approximately 20 hours to complete, totaling 1,100 hours. This includes the time for project conception and development, proposal writing and reviewing, and submitting project narrative through *Grants.gov*. We expect to issue 40 grants per year. The grant recipients are not required to submit final technical reports; therefore there are no additional burden hours for the grant recipient.

Estimated Annual Reporting and Recordkeeping “Non-Hour Cost”: We have not identified any “non-hour cost” burdens associated with this collection of information.

Public Disclosure Statement: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

Comments: Before submitting an ICR to OMB, PRA section 3506(c) (2) (A) (44 U.S.C. 3501, *et seq.*) requires each agency “ * * * to provide notice * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * * ” Agencies must specifically solicit comments. We invite comments concerning this information collection on:

(1) Whether or not the collection of information is necessary, including whether or not the information will have practical utility;

(2) the accuracy of our estimate of the burden for this collection of information;

(3) ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) ways to minimize the burden of the collection of information on respondents.

Please note that the comments submitted in response to this notice are a matter of public record. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done. To comply with the public process, we publish this **Federal Register** notice announcing that we will submit this ICR to OMB for approval. The notice provided the required 60 day public comment period.

National Earthquake Prediction Evaluation Council

AGENCY: U.S. Geological Survey.

ACTION: Notice of Meeting.

SUMMARY: Pursuant to Public Law 96–472, the National Earthquake Prediction Evaluation Council (NEPEC) will hold a meeting. The meeting location is the Hilton Palm Springs Resort, 400 East Tahquitz Canyon Way, Palm Springs, California 92262–6605. The Committee is comprised of members from academia and the Federal Government. The Committee shall advise the Director of the U.S. Geological Survey (USGS) on proposed earthquake predictions, on the completeness and scientific validity of the available data related to earthquake predictions, and on related matters as assigned by the Director.

The Council will receive a briefing on the Colaboratory for Study of Earthquake Predictability (CSEP), a report on a workshop on Episodic Tremor and Slip held last winter, and short reports and updates on several

other topics. The Council will also discuss the potential need to provide advisory reports on short notice if natural observations suggest an increased earthquake risk, and the form and content of such reports.

Meetings of the National Earthquake Prediction Evaluation Council are open to the public.

DATES: September 10, 2008, commencing at 1 p.m. and adjourning at 4 p.m. on September 11, 2008.
