

Tariff Act of 1930, as amended (the Act), and 19 CFR part 351, in general. *See Initiation Notice.* We received no response from the domestic industry by the deadline date. *See* 19 CFR 351.218(d)(1)(i). As a result, the Department has determined that no domestic party intends to participate in the sunset reviews. *See* 19 CFR 351.218(d)(1)(iii)(A). On September 21, 2010, the Department notified the International Trade Commission in writing that we intended to issue a revocation of the antidumping duty orders. *See* 19 CFR 351.218(d)(1)(iii)(B)(2).

Revocation

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested parties respond to a notice of initiation, the Department shall, within 90 days after the initiation of the review, revoke the order. Because no domestic interested party filed a notice of intent to participate in any of the reviews, the Department finds that no domestic interested party is participating in the reviews. Thus, we are revoking the orders on certain stainless steel butt-weld pipe fittings from Japan, South Korea and Taiwan.

Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(c)(6)(A)(iii) of the Act, and 19 CFR 351.222(i)(2)(i), the Department will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation of the merchandise subject to these orders entered, or withdrawn from warehouse, on or after October 20, 2010, the fifth anniversary of the date of publication of the last continuation notice. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping and deposit requirements. The Department will complete any pending administrative reviews of these orders and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately-filed requests for review.

This five-year ("sunset") review and this notice are in accordance with section 751(c) and 777(i)(1) of the Act.

Dated: November 1, 2010.

Paul Piquado,

Acting Deputy Assistant Secretary for Import Administration.

RIN 0648-XA006

Fisheries of the Exclusive Economic Zone Off Alaska; Recordkeeping and Reporting Requirements; Public Workshops

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of workshop.

SUMMARY: NMFS, Alaska Region, will present a workshop on seaLandings, a consolidated electronic means of reporting landings and production of commercial groundfish to multiple management agencies for Federal and State fisheries off Alaska, and 2011 recordkeeping and reporting requirements for the Alaska groundfish fisheries and Individual Fishing Quota fisheries.

DATES: The workshop will be held on November 29, 2010, 9 a.m. to 4 p.m., Pacific Standard Time.

ADDRESSES: The workshop will be held at the Swedish Cultural Center located at 1920 Dexter Ave., N. Seattle, WA, in the Svea Room located on the Main level.

FOR FURTHER INFORMATION CONTACT: Susan Hall, 907-586-7462.

SUPPLEMENTARY INFORMATION: The workshop will include a discussion of 2011 recordkeeping and reporting requirements for Alaska groundfish fisheries and Individual Fishing Quota fisheries, and instructions for completing and submitting required reports and logbooks using seaLandings.

NMFS will provide a demonstration of the new version of seaLandings for at-sea catcher/processors and motherships, and training on how to submit daily production reports, and landing reports with and without Individual Fishing Quota.

Beginning in 2011, new regulations implementing Amendment 91 to the Fishery Management Plan for groundfish of the Bering Sea and Aleutian Islands Area require American Fisheries Act catcher/processors and any catcher/processor harvesting Community Development Quota pollock to use a NMFS approved electronic logbook in lieu of using the NMFS catcher/processor trawl gear Daily Fishing Logbook. At this workshop, NMFS will provide a demonstration of the trawl catcher/processor electronic logbook in seaLandings.

Special Accommodations

These workshops will be physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Susan Hall, 907-586-7462, at least 5 working days prior to the meeting date.

Dated: November 2, 2010.

Emily H. Menashes,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
