Moon Lake Electric Association, Inc.; Notice of Effectiveness of Withdrawal of License Application

On January 31, 2017, Moon Lake Electric Association, Inc. (Moon Lake) filed an application for a new license for the 1.2-megawatt Uintah Hydroelectric Project No. 190. On December 23, 2020, Moon Lake filed a notice of withdrawal of its application. Moon Lake states that the anticipated cost of operating the project under the new license will render the project uneconomic.

No motion in opposition to the notice of withdrawal has been filed, and the Commission has taken no action to disallow the withdrawal. Pursuant to Rule 216(b) of the Commission's Rules of Practice and Procedure,¹ the withdrawal of the application became effective on January 8, 2021, and this proceeding is hereby terminated. Commission staff are concurrently issuing a letter to Moon Lake requiring it to file an application to surrender the project.

Dated: January 8, 2021.

Technical Conference on Reassessment of the Electric Quarterly Report Requirements; Notice of Technical Conference

Take notice that on February 24, 2021, the Federal Energy Regulatory Commission (Commission) will convene a staff-led technical conference via webcast as part of a reassessment of the Electric Quarterly Report (EQR) requirements. A supplemental notice will be issued prior to the conference with further details regarding the agenda, meeting registration information, and electronic log-in information.

The purpose of this technical conference is to provide a forum for Commission staff, filers, and data users to discuss potential changes to the current EQR data fields. This technical conference is intended to be the first in a series of conferences related to a reassessment of the EQR requirements.

Commission conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to accessibility@ferc.gov or call toll free 1-866-208-3372 (voice) or 202-502-8659 (TTY), or send a FAX to 202-208-2106 with the required accommodations.

For more information about the EQR technical conference, please contact Jeff Sanders of the Commission's Office of Enforcement at (202) 502-6455, or send an email to EQR@ferc.gov. Additional information will also be provided on the EQR web page.

Dated: January 8, 2021.

All filings with the Commission must bear the appropriate heading: Comments on Pre-Application Document, Study Requests, Comments on Scoping Document 1, Request for Cooperating Agency Status, or Communications to and from Commission Staff. Any individual or entity interested in submitting study requests, commenting on the PAD or SD1, and any agency requesting cooperating status must do so by March 23, 2021.

n. *Scoping Process:* The Commission's scoping process will help determine the required level of analysis and satisfy the NEPA scoping requirements, irrespective of whether the Commission prepares an environmental assessment or Environmental Impact Statement.

Due to restrictions on mass gatherings related to COVID-19, we are waiving section 5.8(b)(viii) of the Commission's regulations and do not intend to conduct a public scoping meeting and site visit in this case. Instead, we are soliciting written comments, recommendations, and information, on SD1. Any individual or entity interested in submitting scoping comments must do so by the date specified in item m. SD1, which outlines the subject areas to be addressed in the environmental document, was mailed to the individuals and entities on the Commission's official mailing list. Copies of SD1 may be viewed on the web at <http://www.ferc.gov>, using the "eLibrary" link. Follow the directions for accessing information in paragraph l. Based on all written comments, a Scoping Document 2 (SD2) may be issued. SD2 may include a revised process plan and schedule, as well as a list of issues, identified through the scoping process.

We may conduct a site visit, if needed, later in the process, such as in conjunction with the study plan meeting required by section 5.11(e) of the Commission's regulations which is required to occur by June 6, 2021. Further revisions to the schedule may be made as appropriate.

Dated: January 8, 2021.
