

FEDERAL RESERVE SYSTEM**Formations of, Acquisitions by, and Mergers of Bank Holding Companies**

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR Part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. The applications also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States. Additional information on all bank holding companies may be obtained from the National Information Center website at www.ffiec.gov/nic/.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than April 9, 2010.

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration on Aging****Agency Information Collection Activities; Proposed Collection; Comment Request; Alzheimer's Disease Supportive Services Program Standardized Data Collection**

AGENCY: Administration on Aging, HHS.
ACTION: Notice.

SUMMARY: The Administration on Aging (AoA) is announcing an opportunity for public comment on the proposed collection of certain information by the agency. Under the Paperwork Reduction Act of 1995 (the PRA), Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, and to allow 60 days for public comment in response to the notice. This notice solicits comments on the information collection requirements relating to the Alzheimer's Disease Supportive Services Program.

DATES: Submit written or electronic comments on the collection of information by May 14, 2010.

ADDRESSES: Submit electronic comments on the collection of information to shannon.skowronski@aoa.hhs.gov. Submit written comments on the collection of information to Shannon Skowronski, U.S. Administration on Aging, Washington, DC 20201.

FOR FURTHER INFORMATION CONTACT: Shannon Skowronski 202-357-0149 or e-mail: shannon.skowronski@aoa.hhs.gov.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency request or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, AoA is publishing notice

of the proposed collection of information set forth in this document. With respect to the following collection of information, AoA invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of AoA's functions, including whether the information will have practical utility; (2) the accuracy of AoA's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques when appropriate, and other forms of information technology.

The Alzheimer's Disease Supportive Services Program (ADSSP) is authorized through Sections 398, 399 and 399A of the Public Health Service (PHS) Act, as amended by Public Law 101-557 Home Health Care and Alzheimer's Disease Amendments of 1990. The ADSSP helps states extend supportive services to persons with Alzheimer's disease and their caregivers, including underserved populations.

In compliance with the PHS Act, AoA developed an ADSSP Data Collection Reporting Tool (ADSSP-DCRT) in 2007. The ADSSP-DCRT collects information about the delivery of direct services by ADSSP state grantees, as well as basic demographic information about service recipients. This revised version includes some revisions to the approved 2007 version. The revised version would be in effect for the FY2011 reporting year and thereafter, while the current reporting tool, OMB Approval Number 0985-0022, would be extended to the end of the FY2010 reporting cycle.

The proposed FY2011 ADSSP-DCRT can be found on AoA's Web site at: http://www.aoa.gov/AoARoot/AoA_Programs/HCLTC/Alz_Grants/docs/ADSSP.pdf. AoA estimates the burden of this collection of information to be as follows: 1,410 hours.

Dated: March 9, 2010.

Kathy Greenlee,

Assistant Secretary for Aging.
