Form Number: FCC 315.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities and Not-for-profit institutions.

Number of Respondents: 2,225.

Estimated Time per Response: 1-2 hours.

Frequency of Response: On occasion reporting requirement; Third party disclosure.

Total Annual Burden: 3,990 hours.

Total Annual Cost: \$16,017,631.25.

Privacy Impact Assessment: No impact(s).

Needs and Uses: FCC Form 315 and applicable exhibits/explanations are required to be filed when applying for transfer of control of a corporation holding an AM, FM, or TV broadcast station construction permit or license. In addition, the applicant must notify the Commission when an approved transfer of control of a broadcast station construction permit or license has been consummated.

This collection also includes the third party disclosure requirement of 47 CFR 73.3580. This section requires local public notice in a newspaper of general circulation of the filing of all applications for transfer of control of license/permit. This notice must be completed within 30 days of the tendering of the application. This notice must be published at least twice a week for two consecutive weeks in a three-week period. A copy of this notice must be placed in the public inspection file along with the application. Additionally, an applicant for transfer of control of license must broadcast the same notice over the station at least once daily on four days in the second week immediately following the tendering for filing of the application.

On June 24, 2004, the U. S. Court of Appeals for the Third Circuit (the "Court") issued an Opinion and Judgment ("*Remand Order*") in which it upheld certain aspects of the new Commission's ownership rules adopted on June 2, 2003 (*See* 18 FCC Rcd 13620 (2003)), specifically those dealing with local radio ownership, while requiring further explanation for all other aspects of the new rules. The Court stated that its prior stay of all the new rules would remain in effect pending the outcome of

the remand proceeding. The Commission filed a petition for rehearing requesting that the Court lift the stay partially—*i.e.*, with respect to the radio ownership rules which the Court's *Remand Order* upheld. In the *Rehearing Order*, the Court granted the petition, thus partially lifting the stay. As a result of the *Rehearing Order*, the new radio ownership rules took effect September 3, 2004.
