SUPPLEMENTARY INFORMATION:

I. Abstract

The International Trade Administration, Global Trade Programs, offers trade fair guidance and assistance to trade fair organizers, trade fair operators, and other travel- and trade-oriented groups. The fairs open doors to promising trade markets around the world, and provide an opportunity for showcasing quality exhibitors and products from around the world. The “Application for Designation of a Fair” is a questionnaire that is prepared and signed by an organizer to begin the certification process. It asks the fair organizer to provide details as to the date, place, and sponsor of the fair, as well as license, permit, and corporate backers, and countries participating. To apply for the certification, the fair organizer must have all the components of the application in order. Then, with the approval, the organizer is able to bring their products into the U.S. in accordance with Customs laws. The articles which may be brought in, include, but are not limited to, actual exhibit items, pamphlets, brochures, and explanatory material in reasonable quantities relating to the foreign exhibits at a trade fair, and material for use in constructing, installing, or maintaining foreign exhibits at a trade fair.
