Marine Mammals; File No. 14118

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of permit.

SUMMARY: Notice is hereby given that a permit has been issued to Becky Woodward, Ph.D., University of Maine, 9500 Old Retriever Trail, Charles City, Virginia 23030 to conduct research on Eastern gray (*Eschrichtius robustus*), minke (*Balaenoptera acutorostrata*), and short- and long-finned pilot whales (*Globicephala* spp.) and endangered humpback (*Megaptera novaeangliae*) whales. Fin (*B. physalus*) and sei (*B. borealis*) whales may be incidentally harassed.

ADDRESSES: The permit and related documents are available for review upon written request or by appointment in the following offices: See **SUPPLEMENTARY INFORMATION.**

FOR FURTHER INFORMATION CONTACT: Kristy Beard or Carrie Hubard, (301) 427-8401.

SUPPLEMENTARY INFORMATION: On March 23, 2010, notice was published in the **Federal Register** (75 FR 13730) that a request for a permit to conduct research on the species identified above had been submitted by the above-named applicant. The requested permit has been issued under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), the regulations governing the taking and importing of marine mammals (50 CFR part 216), the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*), and the regulations governing the taking, importing, and exporting of endangered and threatened species (50 CFR parts 222-226).

The permit authorizes takes during research involving tagging using a peduncle belt type attachment mechanism, photo-identification, behavioral observations, tracking and monitoring, passive acoustics, photography and video both above and under water, and collection of sloughed skin. Research will occur in the North Atlantic from Maine to Texas, and in the North Pacific from Alaska to California, including Hawaii. Multiple research objectives would be addressed using data from the tags, including: (1) Long-term movement and habitat use studies using satellite/GPS/depth tags, (2) medium-term acoustic studies using an audio recording package to examine transmitted and received sound, and (3) extended fine-scale behavioral ecology studies using multi-sensor data recording packages. The permit is valid for five years from the date of issuance.

An environmental assessment (EA) was prepared analyzing the effects of the permitted activities on the human environment in compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*). Based on the analyses in the EA, NMFS determined that issuance of the permit would not significantly impact the quality of the human environment and that preparation of an environmental impact statement was not required. That determination is documented in a Finding of No Significant Impact (FONSI), signed on April 27, 2012.

As required by the ESA, issuance of this permit was based on a finding that such permit: (1) Was applied for in good faith; (2) will not operate to the disadvantage of such endangered species; and (3) is consistent with the purposes and policies set forth in section 2 of the ESA.

[Docket No. PTO-C-2012-0023]

Public Advisory Committees

AGENCY: United States Patent and Trademark Office, Commerce.

ACTION: Notice and request for nominations.

SUMMARY: On November 29, 1999, the President signed into law the Patent and Trademark Office Efficiency Act (the "Act"), Public Law 106-113, which, among other things, established two Public Advisory Committees to review the policies, goals, performance, budget and user fees of the United States Patent and Trademark Office (USPTO) with respect to patents, in the case of the Patent Public Advisory Committee, and with respect to trademarks, in the case of the Trademark Public Advisory Committee, and to advise the Director on these matters (now codified at 35 U.S.C. 5). The USPTO is requesting nominations for three (3) members to the Patent Public Advisory Committee, and two (2) members to the Trademark Public Advisory Committee, for terms of three years that begin on expiration of the predecessors' terms.

DATES: Nominations must be postmarked or electronically transmitted on or before June 11, 2012.

- Within 60 days after the end of each fiscal year: (1) Prepare an annual report on matters listed above; (2) transmit a report to the Secretary of Commerce, the President, and the Committees on the Judiciary of the Senate and the House of Representatives; and (3) publish the report in the Official Gazette of the USPTO.

Advisory Committees

The Public Advisory Committees are each composed of nine (9) voting members who are appointed by the Secretary of Commerce (the "Secretary") and serve at the pleasure of the Secretary for three (3)-year terms. The Public Advisory Committee members must be United States citizens and represent the interests of diverse users of the USPTO, both large and small entity applicants in proportion to the number of such applications filed. The Committees must include members who have "substantial backgrounds and achievement in finance, management, labor relations, science, technology, and office automation" (35 U.S.C. 5(b)(3)). In the case of the Patent Public Advisory Committee, at least twenty-five (25) percent of the members must represent "small business concerns, independent inventors, and nonprofit organizations," and at least one member must represent the independent inventor community (35 U.S.C. 5(b)(2)). Each of the Public Advisory Committees also includes three (3) non-voting members representing each labor organization

recognized by the USPTO.

Administration policy discourages the appointment of federally registered lobbyists to agency advisory boards and commissions (Lobbyists on Agency Boards and Commissions, <http://www.whitehouse.gov/blog/2009/09/23/lobbyist-agency-boards-and-commissions> (Sept. 23, 2009, 2:33PM EST)); cf. Exec. Order No. 13490, 74 FR 4673 (January 21, 2009) (while Executive Order 13490 does not specifically apply to federally registered lobbyists appointed by agency or department heads, it sets forth the Administration's general policy of decreasing the influence of special interests in the Federal Government).

Procedures and Guidelines of the Patent and Trademark Public Advisory Committees

Each newly appointed member of the Patent and Trademark Public Advisory Committees will serve for a term of three years beginning at the expiration of his or her predecessor's term. As required by the Act, members of the Patent and Trademark Public Advisory Committees will receive compensation for each day while the member is attending meetings or engaged in the business of that Advisory Committee. The enabling statute states that members are to be compensated at the daily equivalent of the annual rate of basic pay in effect for level III of the Executive Schedule under section 5314 of Title 5, United States Code. Committee members are compensated on an hourly basis, calculated at the daily rate. While away from home or regular place of business, each member will be allowed travel expenses, including per diem in lieu of subsistence, as authorized by Section 5703 of Title 5, United States Code. The USPTO will provide clerical and other support services for the Committees as the Director may determine to be necessary and proper.

Applicability of Certain Ethics Laws

Members of each Public Advisory Committee shall be Special Government Employees within the meaning of Section 202 of Title 18, United States Code. The following additional information includes several, but not all, of the ethics rules that apply to members, and assumes that members are not engaged in Public Advisory Committee business more than sixty days during any period of 365 consecutive days.

- Each member will be required to file a confidential financial disclosure form within thirty (30) days of appointment (5 CFR 2634.202(c), 2634.204, 2634.903, and 2634.904(b)).
